### **Intermediate Korean Short Stories** - Lingo Mastery 2021-08-30

Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: Intermediate Korean Short Stories! In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have

understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Korean Short Stories and level up your Korean language learning right now!

Paris Nocturne - Patrick Modiano 2015-10-27

This uneasy, compelling novel begins with a nighttime accident on the streets of Paris. The unnamed narrator, a teenage boy, is hit by a car whose driver he vaguely recalls having met before. The mysterious ensuing events, involving a police van, a dose of ether, awakening in a strange hospital, and the disappearance of the woman driver, culminate in a packet being pressed into the boy's hand. It is an envelope stuffed full of bank notes. The confusion only deepens as the characters grow increasingly apprehensive; meanwhile, readers are held spellbound. Modiano's low-key writing style, his preoccupation with memory and its untrustworthiness, and his deep concern with timeless moral questions have earned him an international audience of devoted readers. This beautifully rendered translation brings another of his finest works to an eagerly waiting English-language audience. Paris Nocturne has been named "a perfect book" by Libération, while L'Express observes, "Paris Nocturne is cloaked in darkness, but it is a novel that is turned toward the light."

*Bakhita* - Véronique Olmi 2019-04-16

Inspired by the true story of a former slave who became a saint, this poignant novel explores how a human being can survive the obliteration

of her identity, and how kindness and generosity can be born out of profound trauma. She recalls little of her childhood, not even her own name. She was barely seven years old when she was snatched by slave raiders from her village in the Darfur region of southern Sudan. In a cruel twist, they gave her the name that she will carry for the rest of her life: Bakhita, "the Lucky One" in Arabic. Sold and resold along the slave trade routes, Bakhita endures years of unspeakable abuse and terror. At age thirteen, at last, her life takes a turn when the Italian consul in Khartoum purchases her. A few years later, as chaos engulfs the capital, the consul returns to Italy, taking Bakhita with him. In this new land, another long and arduous journey begins--one that leads her onto a spiritual path for which she is still revered today. With rich, evocative language, Véronique Olmi immerses the reader in Bakhita's world--her unfathomable resilience, her stubborn desire to live, and her ability to turn toward the pain of others in spite of the terrible sufferings that she too must endure.

**Laugh with the Moon** - Shana Burg 2012-06-12

Laugh with the Moon is on the Texas Bluebonnet Award Master List. Thirteen-year-old Clare Silver is stuck. Stuck in denial about her mother's recent death. Stuck in the African jungle for sixty-four days without phone reception. Stuck with her father, a doctor who seems able to heal everyone but Clare. Clare feels like a fish out of water at Mzanga Full Primary School, where she must learn a new language. Soon, though, she becomes immersed in her new surroundings and impressed with her fellow students, who are crowded into a tiny space, working on the floor among roosters and centipedes. When Clare's new friends take her on an outing to see the country, the trip goes horribly wrong, and Clare must face another heartbreak head-on. Only an orphan named Memory, who knows about love and loss, can teach Clare how to laugh with the moon. Told from an American girl's perspective, this story about how death teaches us to live and how love endures through our memories will capture the hearts of readers everywhere.
