It will not waste your time. assume me, the e-book will very declare you other issue to read. Just invest tiny period to entre this on-line message **The Reformation For Armchair Theologians** as competently as evaluation them wherever you are now.

## **The Intellectual Origins of the European Reformation -**

Alister E. McGrath 2008-04-15

The sixteenth-century Reformation remains a fascinating and exciting area of study. The revised edition of this distinguished volume explores the intellectual origins of the Reformation and examines the importance of ideas in the shaping of history. Provides an updated and

expanded version of the original, highly-acclaimed edition. Explores the complex intellectual roots of the Reformation, offering a sustained engagement with the ideas of humanism and scholasticism. Demonstrates how the intellectual origins of the Reformation were heterogeneous, and examines the implications of this for our understanding of the

Reformation as a whole. Offers a defence of the entire enterprise of intellectual history, and a reaffirmation of the importance of ideas to the development of history. Written by Alister E. McGrath, one of today's best-known Christian writers.

**Why You Think the Way You Do** - Glenn S. Sunshine  
2009-08-30

How do we come by our worldviews and philosophies? What impact did Christianity have on the worldviews that are common to Western civilization? *Why You Think the Way You Do* traces the development of the worldviews that underpin the Western world. Professor and historian Glenn S. Sunshine demonstrates the decisive impact that the growth of Christianity had in transforming the outlook of pagan Roman culture into one that—based on biblical concepts of humanity and its relationship with God—established virtually all the positive aspects of Western civilization. The two-pronged

assault in our time on the biblically based worldview by postmodern philosophy and the writings of neo-atheists has made it even more crucial that we acknowledge and defend its historical roots. This authoritative, accessible survey discusses Western worldviews as a continuous narrative rather than as simply a catalogue of ideas. *Why You Think the Way You Do: Traces the effects that changes in worldview had on society.* Helps you understand your own worldview and those of other people. Helps you recognize the ways that your worldview, philosophies, beliefs, and presuppositions affect the way you think about everything.

*The morning star of the Reformation: the life and times of John de Wycliffe* - John Wycliffe 1881

**Luther for Armchair Theologians** - Steven D. Paulson 2004-06-21  
Martin Luther started a reformation movement that revolutionized Europe in the

sixteenth century. His far-reaching reforms of theological understanding and church practices radically modified both church and society in Europe and beyond. Steven Paulson's discussion of Luther's thought, coupled with Ron Hill's illustrations, provides an engaging introduction to Luther's multifaceted self and the ideas that catapulted him to fame. Written by experts but designed for the novice, the Armchair series provides accurate, concise, and witty overviews of some of the most profound Christian theologians in history. This series is an essential supplement for first-time encounters with primary texts, a lucid refresher for scholars and clergy, and an enjoyable read for the theologically curious.

*Letters of John Calvin* - Jean Calvin 1855

**A Short Life of Jonathan Edwards** - George M. Marsden  
2008-09-05

Jonathan Edwards is one of the most extraordinary figures in

American history. Arguably the most brilliant theologian ever born on American soil, Edwards (1703–1758) was also a pastor, a renowned preacher, a missionary to the Native Americans, a biographer, a college president, a philosopher, a loving husband, and the father of eleven children. George M. Marsden -- widely acclaimed for his magisterial large study of Edwards -- has now written a new, shorter biography of this many-sided, remarkable man. A *Short Life of Jonathan Edwards* is not an abridgment of Marsden's earlier award-winning study but is instead a completely new narrative based on his extensive research. The result is a concise, fresh retelling of the Edwards story, rich in scholarship yet compelling and readable for a much wider audience, including students. Known best for his famous sermon "Sinners in the Hands of an Angry God," Jonathan Edwards is often viewed as a proponent of fire, brimstone, and the wrath of God. As

Marsden shows, however, the focus of Edwards's preaching was not God's wrath but rather his overwhelming and all-encompassing love. Marsden also rescues Edwards from the high realms of intellectual history, revealing him more comprehensively through the lens of his everyday life and interactions. Further, Marsden shows how Edwards provides a window on the fascinating and often dangerous world of the American colonies in the decades before the American Revolution. Marsden here gives us an Edwards who illumines both American history and Christian theology, an Edwards that will appeal to readers with little or no training in either field. This short life will contribute significantly to the widespread and growing interest in Jonathan Edwards.

**The Spirit of Hope** - Jürgen Moltmann 2020-01-01

Famous theologian Jürgen Moltmann returns here to the theme that he so powerfully addressed in his groundbreaking work, *Theology of Hope*. In the

twenty-first century, he tells us, hope is challenged by ideologies and global trends that would deny hope and even life itself. Terrorist violence, social and economic inequality, and most especially the looming crisis of climate change all contribute to a cultural moment of profound despair. Moltmann reminds us that Christian faith has much to say in response to a despairing world. In the eternal yes of the living God, we affirm the goodness and ongoing purpose of our fragile humanity. Likewise, God's love empowers us to love life and resist a culture of death. The book's two sections equally promote these affirmations, yet in different ways. The first section looks at the challenges to hope in our current world, most especially the environmental crisis. It argues that Christian faith and indeed all the world's religions must orient themselves toward the wholeness of the human family and the physical environment necessary to that wholeness. The second section draws on

Downloaded from  
[vitaenet.aurora.edu](http://vitaenet.aurora.edu) on by  
guest

resources from the early church, the Reformation, and the contemporary theological conversation to undergird efforts to address the deficit of hope he describes in the first section.

*The Theology of Augustine* - Matthew Levering 2013-03-15  
Most theology students realize Augustine is tremendously influential on the Christian tradition as a whole, but they generally lack real knowledge of his writings. This volume introduces Augustine's theology through seven of his most important works.

Matthew Levering begins with a discussion of Augustine's life and times and then provides a full survey of the argument of each work with bibliographical references for those who wish to go further. Written in clear, accessible language, this book offers an essential introduction to major works of Augustine that all students of theology--and their professors!--need to know.

**The Reformation for Armchair Theologians** - Glenn S. Sunshine 2005-01-01

This readable, accessible narrative story of the Protestant Reformation is written for lay audiences. It is part of the popular Westminster John Knox Press Armchair series and is illustrated with memorable cartoons by Ron Hill. The chapters of the book are suitable for use in church adult education settings to provide a solid grounding in the history of the Reformation and its leading ideas. Questions for discussion and suggestions for further reading provided for each chapter make this book great for group study. Since the Protestant Reformation is such a formative event in the lives of churches, it is important to have an accessible resource to tell its story available for laypersons in all denominations. Written by experts but designed for the nonexpert, the Armchair series provides accurate, concise, and witty overviews of some of the most profound moments and theologians in Christian history. These books are an essential supplement for first-

time encounters with primary texts, a lucid refresher for scholars and clergy, and an enjoyable read for the theologically curious.

*Aquinas for Armchair*

*Theologians* - Timothy Mark Renick 2002-01-01

Renick's engaging narrative presents the key theological views of this important theologian to those with no previous Aquinas background. With cartoons by Hill, this book takes a sound but lighthearted approach.

[Documents from the History of Lutheranism, 1517-1750](#) - Eric Lund

A unique resource: from the Reformation to Pietism This unique collection of excerpts from Lutheran historical and theological documents - many translated here for the first time - presents readers with a full picture of how the Lutheran movement developed in its thought and practice. The volume proceeds chronologically from Luther's lifetime to the beginnings of the Enlightenment. Each chapter begins with a summary

essay and proceeds thematically. Covering not only theology but also church life, popular piety, and influential historical events, the more than 200 primary documents excerpted here show not only the evolution and development of Lutheran doctrine but also its devotional writings, hymns, liturgical texts, letters and diaries, satire, political documents, woodcuts, and pamphlet literature. Lund's judicious selection, careful translation, and helpful introductions acquaint readers with the turbulence and fervor of this revolutionary Christian movement, its struggles for survival and consolidation, its flowering in the age of orthodoxy and pietism, always with an eye to how it affected and was experienced by ordinary people.

**The Unquenchable Flame** -

Michael Reeves 2010-04-01  
Burning pyres, nuns on the run, stirring courage, and comic relief: the Protestant Reformation is a gripping tale, packed with drama. But what motivated the Reformers? And

what were they really like? The Unquenchable Flame, a lively, accessible, and fully informative introduction to the Reformation by Michael Reeves, brings to life the movement's most colorful characters (Martin Luther, Ulrich Zwingli, John Calvin, The Puritans, etc.), examines their ideas, and shows the profound and personal relevance of Reformation thinking for today. Also included are a lengthy Reformation timeline, a map of key places in the Reformation, further reading suggestions, and, in this U.S. edition, a new foreword by 9 Marks Ministries president Mark Dever.

**The Universal God** - James E. Will 1994-01-01

How can Christians bring about peace and justice in the world, when Christianity seems either to claim the absolute truth about God or to dissolve into "disempowering relativism"? James Will seeks an answer for this crucial question in the spiritual and intellectual life of the church. He challenges the traditional

western idea of God as omnipotent and unchanging, instead offering the theory of the universal relationality of God. Writing from the perspective of process theology, Will says that just as God had an impact on the world, so the world has an impact on God. God is related and responsive to the world. In the modern world, where many cultures and belief systems are in contact and often conflict with one another, Will's broadening of the conception of God offers an integration of many cultures and beliefs, recognizing their relatedness without reducing any of them. In this way, Will believes the universal God may bring love and peace to a pluralistic and often divided world.

**Barth for Armchair Theologians** - John R. Franke 2006-01-01

This volume introduces readers to the life and thought of Karl Barth (1886-1968), one of the most important theologians since the Reformation era. Featuring the Armchair series' characteristic whimsical

illustrations, Barth for Armchair Theologians surveys Barth's theology as it emerges and culminates in his monumental Church Dogmatics as well as how his theology continues to be interpreted in the present day. Written by experts but designed for the novice, the Armchair series provides accurate, concise, and witty overviews of some of the most profound moments and theologians in Christian history. These books are essential supplements for first-time encounters with primary texts, lucid refreshers for scholars and clergy, and enjoyable reads for the theologically curious.

John Knox for Armchair Theologians - Suzanne McDonald 2013-01-01

This volume in the popular Armchair series presents a short and reader-friendly introduction to the tumultuous life and theology of the fiery reformer John Knox. As leader of the Scottish Reformation, Knox notably came into conflict with the Roman Catholic Church, particularly Queen

Mary. He was also an outspoken advocate for education and care for the poor, and is widely regarded as the founder of the Church of Scotland. Each chapter includes a description of Knox's activities as well as a discussion of key texts that introduce Knox's theological convictions. Expertly written by Suzanne McDonald, and featuring witty illustrations from Ron Hill, this book offers an intriguing introduction to the life and work of this major theological figure.

**131 Christians Everyone Should Know** - Christian History Magazine Editorial Staff 2010-10-01

This book offers a succinct yet thorough introduction to 131 of the most intriguing, courageous, inspiring Christians who ever lived. It tells how they lived, what they believed, and how their faith affected the course of world history. Includes a timeline with a historical context for each individual, key quotes from or about each personality, and more than 60 photos.

The Reformation for Armchair Theologians - Glenn S.

Sunshine 2005-03-22

This readable, accessible narrative story of the Protestant Reformation is written for lay audiences. It is part of the popular Westminster John Knox Press Armchair series and is illustrated with memorable cartoons by Ron Hill. The chapters of the book are suitable for use in church adult education settings to provide a solid grounding in the history of the Reformation and its leading ideas. Questions for discussion and suggestions for further reading provided for each chapter make this book great for group study. Since the Protestant Reformation is such a formative event in the lives of churches, it is important to have an accessible resource to tell its story available for laypersons in all denominations. Written by experts but designed for the nonexpert, the Armchair series provides accurate, concise, and witty overviews of some of the most profound moments and

theologians in Christian history. These books are an essential supplement for first-time encounters with primary texts, a lucid refresher for scholars and clergy, and an enjoyable read for the theologically curious.

Heretics for Armchair

Theologians - Justo L. González  
2008-01-01

In this volume, noted church historians Justo and Catherine Gonzalez introduce readers to important early church figures whose teachings were denounced by the church as heresies. Instructional for what they taught and for revealing what the church wished to safeguard and uphold, these "heretics" are engagingly presented in their contexts through clear and accessible text that is highlighted by the humorous illustrations of Ron Hill.

*The Christian Faith* - Michael Horton  
2011-01-04

Michael Horton's highly anticipated *The Christian Faith* represents his magnum opus and will be viewed as one of—if not the—most important

systematic theologies since Louis Berkhof wrote his in 1932. A prolific, award-winning author and theologian, Professor Horton views this volume as “doctrine that can be preached, experienced, and lived, as well as understood, clarified, and articulated.” It is written for a growing cast of pilgrims making their way together and will be especially welcomed by professors, pastors, students, and armchair theologians. Features of this volume include: (1) a brief synopsis of biblical passages that inform a particular doctrine; (2) surveys of past and current theologies with contemporary emphasis on exegetical, philosophical, practical, and theological questions; (3) substantial interaction with various Christian movements within the Protestant, Catholic and Orthodoxy traditions, as well as the hermeneutical issues raised by postmodernity; and (4) charts, sidebars, questions for discussion, and an extensive bibliography, divided into different entry levels and

topics.

The Reformation - Stephen J. Nichols 2007-02-14

Mention history and some might struggle to stifle a yawn. But when presented as a narrative it can often be compelling reading. Stephen J. Nichols takes a key period in time, the Reformation, and presents its major players in a fresh way. From Martin Luther, a simple monk who wielded the mallet, to kings and queens, this book goes behind the scenes to uncover the human side of these larger-than-life Reformers. Along the way readers meet Luther, Ulrich Zwingli, John Calvin, Kings Henry VIII and Edward VI, Lady Jane Grey, Anne Bradstreet, and many others. For those wanting to see history in its context, Nichols also provides a sampling of primary source materials. It is an engaging read that will remind readers of the foundational truths that can never be taken for granted by the church in any age. Includes numerous illustrations.

**A Brief Introduction to the**

Downloaded from  
[vitaenet.aurora.edu](http://vitaenet.aurora.edu) on by  
guest

**Reformation** - Glenn S.

Sunshine 2017-02-10

This readable, accessible introduction provides a solid grounding in the history of the Protestant Reformation. In honor of the 500th anniversary of the Reformation, Glenn Sunshine examines the key people and ideas of this movement. Questions for discussion and suggestions for further reading provided for each chapter make this book ideal for the classroom or group study.

*Zwingli and Bullinger* - Ulrich Zwingli 1953-01-01

Selections from the writings of Ulrich Zwingli and Heinrich Bullinger, two lesser-known church reformers, are contained in this volume. Also included is an account of the life, work, and theology of each of these Swiss reformers of the sixteenth century. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the

most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

**Sacred Scripture, Sacred**

**War** - James P. Byrd

2013-06-13

Winner of an Award of Merit in the Christianity Today Book Awards, History/Biography category On January 17, 1776, one week after Thomas Paine published his incendiary pamphlet Common Sense, Connecticut minister Samuel Sherwood preached an equally patriotic sermon. "God Almighty, with all the powers of heaven, are on our side," Sherwood said, voicing a sacred justification for war that Americans would invoke repeatedly throughout the struggle for independence. In Sacred Scripture, Sacred War, James Byrd offers the first comprehensive analysis of how American revolutionaries

defended their patriotic convictions through scripture. Byrd shows that the Bible was a key text of the American Revolution. Indeed, many colonists saw the Bible as primarily a book about war. They viewed God as not merely sanctioning violence but actively participating in combat, playing a decisive role on the battlefield. When war came, preachers and patriots alike turned to scripture not only for solace but for exhortations to fight. Such scripture helped amateur soldiers overcome their natural aversion to killing, conferred on those who died for the Revolution the halo of martyrdom, and gave Americans a sense of the divine providence of their cause. Many histories of the Revolution have noted the connection between religion and war, but Sacred Scripture, Sacred War is the first to provide a detailed analysis of specific biblical texts and how they were used, especially in making the patriotic case for war. Combing through more

than 500 wartime sources, which include more than 17,000 biblical citations, Byrd shows precisely how the Bible shaped American war, and how war in turn shaped Americans' view of the Bible. Brilliantly researched and cogently argued, Sacred Scripture, Sacred War sheds new light on the American Revolution.

**Martin Luther's Priesthood of All Believers** - Kristian T.

Baudler 2016-10-01

This book is a "must have" in preparation for celebrating the 500th anniversary of the Reformation! "Martin Luther's PRIESTHOOD OF ALL BELIEVERS - In an Age of Modern Myth" challenges today's popular myth that Martin Luther was a happy ecumenist, a Roman Catholic at heart who having disrupted church unity for reasons of good faith, was nevertheless eagerly seeking a path home to Rome. Frustrated with the slow pace of visible church unity, some Lutheran ecclesiasts have busied themselves in recent years with creating a more ecumenically friendly Luther -

by literally rewriting history! The result is a portrait of a reformer who in truth never lived and a Reformation that never occurred. With the aid of original sixteenth century documents-some never before translated into English - Baudler makes the powerful case that the picture of Martin Luther and his role in the Reformation being taught in American schools, churches, and seminaries today is largely fictional, bearing almost no resemblance to the actual man of history. By removing layers of mythology applied to Luther in recent decades to make him more episcopally palatable, the author reveals a powerful portrait of a reformer who boldly emphasized the simple faith of the laity over the professional clericalism of his day in often shocking, humorous, and irreverent ways. This book challenges historians and theologians of all denominations, both professional and armchair, to reassess what Luther's Reformation means for the church in our time.

**Calvin for Armchair Theologians** - Christopher Elwood 2002-01-01

An introduction to the life and main teachings of John Calvin (1509-1564), this book blends Calvin's theology into the story of his life to provide those with no knowledge of the Genevan reformer with a concise picture of his key theological views. Illustrations illuminate the author's text.

**Europe's Reformations, 1450-1650** - James D. Tracy 2006-03-23

In this widely praised history, noted scholar James D. Tracy offers a comprehensive, lucid, and masterful exploration of early modern Europe's key turning point. Establishing a new standard for histories of the Reformation, Tracy explores the complex religious, political, and social processes that made change possible, even as he synthesizes new understandings of the profound continuities between medieval Catholic Europe and the multi-confessional sixteenth and seventeenth centuries. This revised edition includes new

material on Eastern Europe, on how ordinary people experienced religious change, and on the pluralistic societies that began to emerge.

Reformation scholars have in recent decades dismantled brick by brick the idea that the Middle Ages came to an abrupt end in 1517. Martin Luther's Ninety-five Theses fitted into an ongoing debate about how Christians might better understand the Gospel and live its teachings more faithfully.

Tracy shows how Reformation-era religious conflicts tilted the balance in church-state relations in favor of the latter, so that the secular power was able to dictate the doctrinal loyalty of its subjects. Religious reform, Catholic as well as Protestant, reinforced the bonds of community, while creating new divisions within towns, villages, neighborhoods, and families. In some areas these tensions were resolved by allowing citizens to profess loyalty both to their separate religious communities and to an overarching body-politic.

This compromise, a product of

the Reformations, though not willed by the reformers, was the historical foundation of modern, pluralistic society. Richly illustrated and elegantly written, this book belongs in the library of all scholars, students, and general readers interested in the origins, events, and legacy of Europe's Reformation.

The Reformation - Diarmaid MacCulloch 2005-03-25

The Reformation and Counter-Reformation represented the greatest upheaval in Western society since the collapse of the Roman Empire a millennium before. The consequences of those shattering events are still felt today—from the stark divisions between (and within) Catholic and Protestant countries to the Protestant ideology that governs America, the world's only remaining superpower. In this masterful history, Diarmaid MacCulloch conveys the drama, complexity, and continuing relevance of these events. He offers vivid portraits of the most significant individuals—Luther, Calvin, Zwingli, Loyola, Henry VIII,

and a number of popes—but also conveys why their ideas were so powerful and how the Reformation affected everyday lives. The result is a landmark book that will be the standard work on the Reformation for years to come. The narrative verve of *The Reformation* as well as its provocative analysis of American culture's debt to the period will ensure the book's wide appeal among history readers.

**Reformation Reader** - Denis R. Janz 2008

**The Gospel according to Science Fiction** - Gabriel McKee 2007-01-02

In this thorough and engaging book, Gabriel McKee explores the inherent theological nature of science fiction, using illustrations from television shows, literature, and films. Science fiction, he believes, helps us understand not only who we are but who we will become. McKee organizes his chapters around theological themes, using illustrations from authors such as Isaac Asimov and H. G. Wells,

television shows such as *Star Trek* and *The Twilight Zone*, and films such as *The Matrix* and *Star Wars*. With its extensive bibliography and index, this is a book that all serious science fiction fans--not just those with a theological interest--will appreciate.

**Bonhoeffer for Armchair Theologians** - Stephen R. Haynes 2009-10-07

This latest volume in the ever-popular WJK Armchair series turns its sights on contemporary theologian Dietrich Bonhoeffer (1906-1945). Born in Breslau, Germany, Bonhoeffer led quite an intriguing life. This book, with dozens of illustrations by artist Ron Hill, highlights Bonhoeffer's background and theological education; his time at Union Seminary in New York City; his involvement in the resistance movement against Adolf Hitler; and his participation in the plot to assassinate Hitler. Written by experts but designed for the novice, the Armchair series provides accurate, concise, and witty overviews of some of the

Downloaded from  
[vitaenet.aurora.edu](http://vitaenet.aurora.edu) on by  
guest

most profound moments and theologians in Christian history. These books are essential supplements for first-time encounters with primary texts, lucid refreshers for scholars and clergy, and enjoyable reads for the theologically curious.

*Luther for Armchair*

*Theologians* - Steven D.

Paulson 2004-01-01

Martin Luther started a reformation movement that revolutionized Europe in the sixteenth century. His far-reaching reforms of theological understanding and church practices radically modified both church and society in Europe and beyond. Steven Paulson's discussion of Luther's thought, coupled with Ron Hill's illustrations, provides an engaging introduction to Luther's multifaceted self and the ideas that catapulted him to fame. Written by experts but designed for the novice, the Armchair series provides accurate, concise, and witty overviews of some of the most profound Christian theologians

in history. This series is an essential supplement for first-time encounters with primary texts, a lucid refresher for scholars and clergy, and an enjoyable read for the theologically curious.

**Martin Luther King, Jr. for Armchair Theologians** -

Rufus Burrow 2009-01-01

This book, with dozens of illustrations by artist Ron Hill, is written for a broad audience. It explores King's legacy, the continuing importance of his work, and his quest for "the beloved community," and will serve as an excellent introduction to King's life and thinking.

*Jonathan Edwards for Armchair*

*Theologians* - James P. Byrd

2008-01-01

Exploring his life, most important writings, and enduring legacies, Jonathan Edwards for Armchair Theologians provides an engaging overview of a man far more complex and multifaceted than most understand."--BOOK JACKET.

**Seeking the Face of God** - J.

Daniel Day 2013-08-08

Seeking the face of God is a challenge to engage in worship that is actually about God. In an easily readable manner the author tells how the essential God-focus of worship has been blurred among evangelicals by confusing worship with evangelism, entertainment, and emotions [... } Worshipers and worship leaders from all styles of worship will learn much and receive immediately usable guidance in this pastorally oriented and historically and theologically based re-conception of worship.

**John Calvin, Reformer for the 21st Century** - William

Stacy Johnson 2009-06-02

Many would argue that a true understanding of contemporary Christian thought is impossible without a basic understanding of Calvin's contributions.

William Stacy Johnson, a leading Presbyterian theologian, offers this clear and fundamental study of Calvin's insights as a primer for those with little or no knowledge of his work. This volume, enhanced with questions for discussion and a handy

glossary, is sure to be an invaluable resource for those who seek an accessible way into a deeper understanding of Calvin's impact on the development of Christian faith and on society.

**Reformation Questions, Reformation Answers** -

Donald K. McKim 2017-02-01

What does "Protestantism" mean? What are the differences in worship among Protestants? Who were the Huguenots? What does the Reformation mean for us today? This new book by best-selling author Don McKim answers these questions and many more, providing the essential history of the Protestant Reformation. In an easy-to-use question-and-answer style, *Reformation Questions, Reformation Answers* highlights the key facts, people, and theologies of the Protestant Reformation, as well as major legacies of the historical movement. Published in time for the 500th anniversary of the beginning of the Reformation, this new resource will help readers

understand a critical moment in Christian history that still deeply affects who the church is today.

*Calvin* - Bruce Gordon

2009-07-21

During the glory days of the French Renaissance, young John Calvin (1509-1564) experienced a profound conversion to the faith of the Reformation. For the rest of his days he lived out the implications of that transformation—as exile, inspired reformer, and ultimately the dominant figure of the Protestant Reformation. Calvin's vision of the Christian religion has inspired many volumes of analysis, but this engaging biography examines a remarkable life. Bruce Gordon presents Calvin as a human being, a man at once brilliant, arrogant, charismatic, unforgiving, generous, and shrewd. The book explores with particular insight Calvin's self-conscious view of himself as prophet and apostle for his age and his struggle to tame a sense of his own superiority, perceived by others as

arrogance. Gordon looks at Calvin's character, his maturing vision of God and humanity, his personal tragedies and failures, his extensive relationships with others, and the context within which he wrote and taught. What emerges is a man who devoted himself to the Church, inspiring and transforming the lives of others, especially those who suffered persecution for their religious beliefs.

*Where God Meets Man, 50th Anniversary Edition* - Gerhard

O. Forde 2021-10-12

This book about Luther's theology is written out of a twofold conviction: first, that many of our problems have arisen because we have not really understood our own traditions, especially in the case of Luther; and second, that there is still a lot of help for us in someone like Luther if we take the trouble to probe beneath the surface. In this ground-breaking book, Forde interprets Luther's theology for our own day. The fundamental theme of the book is the "down-to-earth" character of Luther's

theology. Through this theme, Forde points out that we have failed to understand the basic thrust of Luther's theology and that this failure has caused and still causes us grief. Modern scholarship has demonstrated that Luther did not actually share some of the views on the nature of faith and salvation that subsequent generations have foisted upon him and have used to interpret his thinking. This book attempts to bring the results of some of that scholarship to light and make it more accessible to those searching for answers today. The central questions of Christianity are examined in this fresh restatement of Luther's thought: the relationship between God and humanity, the cross, the sacraments, this world and the next, and the role of the church. The author presents the "down-to-earth" character of Luther's theology in the hope that it will help individual Christians today to be both faithful to God and true to their human and social responsibilities. This 50th

Anniversary Edition includes a preface by Marianna Forde and a new study guide by Bradley C. Jenson, created to encourage new readings and conversations about Forde's influential take on Luther, theology, and the church.

*Justification* - Hans Küng  
2004-01-01

Now, forty years since its original publication, Hans Kung's groundbreaking study--acclaimed as a model for ecumenical discussion--has become a classic work. Looking at the doctrine of justification as understood by the Protestant theologian Karl Barth in comparison to classic Roman Catholic theology, Kung found that the two had similar ideas about the main elements of justification. He argued there is fundamental agreement between Catholicism and Barth's doctrine and that the somewhat divergent viewpoints "would not warrant a division in the Church." This anniversary edition now features a new essay assessing Kung's work in light of

contemporary ecumenical dialogues between Roman Catholics and Protestants.

**Heresy** - Alister McGrath  
2010-11-02

Why the Church must defend the truth. Our ongoing fascination with alternative Christianities is on display every time a never-before-seen gospel text is revealed, an archaeological discovery about Jesus makes front-page news, or a new work of fiction challenges the very

foundations of the church.

Now, in a timely corrective to this trend, renowned church historian Alister McGrath examines the history of subversive ideas, overturning common misconceptions that heresy is somehow more spiritual or liberating than traditional dogma. In so doing, he presents a powerful, compassionate orthodoxy that will equip the church to meet the challenge from renewed forms of heresy today.
