mother and son move to a village in northern Norway, each ensconced in their own world. Their distance has fatal consequences. Love is the story of Vibeke and Jon, a mother and son who have just moved to a small place in the north of Norway. It's the day before Jon's birthday, and a travelling carnival has come to the village. Jon goes out to sell lottery tickets for his sports club, and Vibeke is going to the library. From here on we follow the two individuals on their separate journeys through a

cold winter's night - while a sense of uneasiness grows. Love illustrates how language builds its own reality, and thus how mother and son can live in completely separate worlds. This distance is found not only between human beings, but also within each individual. This novel shows how such distance may have fatal consequences.

An English Translation of Poems of the Contemporary Chinese Poet Hai Zi - Haizi 2005

This volume makes available the poetry of Hai Zi to English language readers. His death marks the transition of Chinese poetry from the serious 1980s to the experimental but thematically trivial poetry of the 1990s. (At the age of twenty-five, Hai Zi committed suicide by laying down on a railroad track. He was holding a book by Professor Qiguang Zhao).

Waldo (English Version) - Klaus D. Wagner 2015-12-17
Charlemagne's Christianisation of the pagans in the Dark Ages of Medieval Europe was brutal enough. It could have been far worse without Waldo, a more considered Christian, by his side. Who was Waldo? I hear you ask. An original document, written in Latin on sheepskin in the early middle ages verifies the donation of a Christian church by a certain Waldo in Seeburg, a small village in Southern Germany. No further historic records of this mysterious Waldo existed. I spent two years of intense research to unravel his alleged identity. I concluded, that Waldo and Charlemagne, the mighty Carolus Magnus were like the priest and the soldier, who shared a lifelong bond forged in childhood. They saw themselves as Christianity's cross and sword, put on earth by God to build and defend Christendom in medieval Europe. Both men differed in their approach to converting the pagans. Charlemagne, the soldier, believed in a swift

decision and the beheading by sword of the unwilling: My god is your god. My will be done. Waldo, the priest, believed in a more gentle missionary way, bringing salvation with bread, wine and fear of the unknown, and the promise of a better life in heaven: Jesus died for us on the cross for our redemption. Thy kingdom come. Amen! They also shared a terrible secret known only to themselves and God. It is a secret that history failed to uncover in the last 1250 years. Those who read this book with an open mind, will hopefully care more about the authenticity of their spiritual experience than the historical authenticity of every chronicled aspect in this novel.

NEW YORK TIMES

BESTSELLER • Features a new introduction on the origins of the Will Trent novels and Broken's place in the series Karin Slaughter's internationally bestselling novels are as notable for their vivid portraits of lives shadowed by loss and heartbreak as they are for their dramatic criminal investigations. Broken features the return of her most compelling characters and introduces memorable new ones in a tale of corruption, murder, and confrontation that will leave more than one life . . . When Special Agent Will Trent arrives in Grant County, he finds a police department determined to protect its own and far too many unanswered questions about a prisoner's death. He doesn't understand why Officer Lena Adams is hiding secrets from him. He doesn't understand her role in the death of Grant County's popular police chief. He doesn't understand why that man's widow, Dr. Sara Linton,

needs him now more than ever to help her crack this case. While the police force investigates the murder of a young woman pulled from a frigid lake, Trent investigates the police force, putting pressure on Adams just when she's already about to crack. Caught between two complicated and determined women, trying to understand Linton's passionate distrust of Adams, the facts surrounding Chief Tolliver's death, and the complexities of this insular town, Trent will unleash a case filled with explosive secrets—and encounter a thin blue line that could be murderous if crossed. Spellbinding and keenly paced, *Broken* is Karin Slaughter at her best. Here is an unforgettable story of raw emotions, dangerous assumptions, the deadly and layered game of betrayal, and a man's determination to expose the most painful of human truths—no matter how deeply they're hidden . . . or how devastating.

Beneath the Spanish - Victor

Hernandez Cruz 2017-10-10
Praise for Victor Hernández Cruz: "Bilingual since childhood, Mr. Cruz writes poems about his native Puerto Rico and elsewhere which often speak to us with a forked tongue, sometimes in a highly literate Spanglish. . . . He's a funny, hard-edged poet, declining always into mother wit and pathos." —The New York Times Book Review "A fluent sensualist and rhythmic stylist." —The Washington Post "Like a salsa band leader coaxing and challenging dancers to more and more complex steps, Cruz dares readers with dizzying polyrhythms, polymetric stanzas, backstepping word structures and a sense of improvisation." —Publishers Weekly Beneath the Spanish tracks the way that languages intersect and inform each other, and how language and music shapes experience. Moving across landscapes from Puerto Rico to Manhattan to Morocco, these poems are one man's history and a song that begs to be performed. From

Sibelius Studies - Timothy L. Jackson 2001-01-11

This book, first published in 2001, presents a portrait of Jean Sibelius as composer and man, a figure of national and international significance, patriot, husband and father. Three introductory articles explore Sibelius's reception in Finland, performance practice and recording history, and Sibelius's aesthetic position with regard to modernity. The second group of essays examines issues of ideology, sexuality and mythology, and their relationship to musical structure and compositional genesis. Studies of the Second, Fourth, Sixth, and Seventh Symphonies are presented in the concluding section. Collectively, these articles address historical, theoretical and analytical issues in Sibelius's most important works. The analyses are supported by investigations of Sibelius's compositional process as documented by the

manuscripts and sketches primarily in the Sibelius Collection of the Helsinki University Library. Exploring Sibelius's innovative approach to tonality, form and texture, the book delineates his unique brand of modernism, which has proven highly influential in the late twentieth century.

Dark Shadows at Dawn Light - Harv Nowland 2009-05
In Dawn Light: On the Chesapeake young Sean O'Connell traveled from Maryland to England with his mother. Shortly after their arrival, his mother died and he was sent to Ireland to be raised

by a spinster aunt. As a young man, Sean received a letter with startling news from his aunt in Colonial America. He journeyed from Dublin to the New World to discover that he had become owner of his family's manor, Dawn Light. In Maryland, Sean struggled with his new role as master of the manor and the cultural clashes and brutality of slavery. Nevertheless, God also provided true friendships and the love of a woman, Julia Wells. With their wedding just a few weeks away, images of their bright future filled the hearts of Julia and Sean. However, dreams that were being fulfilled as well as those yet to be realized--begin to unravel. God allows us to have only glimpses of the future. For, indeed, bright days were to lie ahead for Sean and Julia--but those days would also bring some Dark Shadows at Dawn Light. Harv Nowland was prompted to write the first book, Dawn Light: On the Chesapeake (Xulon Press 2007 ISBN 9781604770957), when he discovered several

headstones bearing his family name in a small cemetery in North East, Maryland, that dated back to the 1600s. Harv and his wife were missionaries in Peru and served churches in Texas, Georgia and Pennsylvania as senior pastor. He was senior staff writer with Larry Burkett and Christian Financial Concepts (later Crown Financial Ministries). Now a freelance writer, Harv contributes to several ministries, including Right From the Heart, Baptist Press, Crown Financial Ministries and Focus on the Family. Parents of two and grandparents of six, he and his wife Bobbie live in Gainesville, Georgia.

Dawnlight - June Luvisi
2016-12

June Luvisi finished her MA in British Literature later in life, taught at Harper College in Illinois, painted intensively for some years, fell in love with poetry and then discovered a new life on the Internet and people all over the world who share her passions. After writing a short memoir, *Plato and Potato Chips*, she now has put together this collection of her poems, art and prose.

Finding that daybreak provided a certain stimulus, a certain magic that fueled her creative passions, she rarely misses a dawn now, and hence the title of this collection of her poems, paintings and prose. She hopes readers share the sense of renewal and energy that she finds in *Dawnlight*.

start, its airport engulfed in flames from burning planes. All communications—cell phones, computers, even radios—are silent. Every home and business is dark. Is it a natural disaster . . . a terrorist attack . . . or something far worse? In the face of a crisis that sweeps an entire high-tech planet back to a time before electricity, the Branning family faces a choice. Will they hoard their possessions in order to survive—or trust God to provide as they share their resources with those around them? Yesterday's world is gone. Family and community are all that remain. And the outage is revealing the worst in some. Desperation can be dangerous when a killer lives among them. New York Times bestselling suspense author Terri Blackstock weaves a masterful what-if novel in which global catastrophe reveals the darkness in human hearts—and lights the way to restoration for a self-centered world. "Blackstock is absolutely masterful at bringing spiritual dilemmas to

the surface and allowing readers to wrestle with them alongside her characters."

AWARD WINNER
LONGLISTED FOR THE 2017
MAN BOOKER PRIZE "A true leftfield wonder: Days Without End is a violent, superbly lyrical western offering a sweeping vision of America in the making."—Kazuo Ishiguro, Booker Prize winning author of The Remains of the Day and The Buried Giant From the two-time Man Booker Prize finalist Sebastian Barry, "a master storyteller" (Wall Street Journal), comes a powerful new novel of duty and family set against the American Indian and Civil Wars Thomas McNulty, aged barely seventeen and having fled the Great Famine in Ireland, signs up for the U.S. Army in the 1850s. With his brother in arms, John Cole, Thomas goes on to fight in the Indian Wars—against the Sioux and

the Yurok—and, ultimately, the Civil War. Orphans of terrible hardships themselves, the men find these days to be vivid and alive, despite the horrors they see and are complicit in. Moving from the plains of Wyoming to Tennessee, Sebastian Barry's latest work is a masterpiece of atmosphere and language. An intensely poignant story of two men and the makeshift family they create with a young Sioux girl, Winona, Days Without End is a fresh and haunting portrait of the most fateful years in American history and is a novel never to be forgotten.

and out of consciousness, with no identification and unable to speak, interest in him is sparked immediately. From the hospital staff who find themselves inexplicably drawn to him, to international medical experts who are baffled by him, to the national press who call him Mr. Nobody, everyone wants answers. Who is this man? And what happened to him? Some memories are best forgotten. Neuropsychiatrist Dr. Emma Lewis is asked to assess the patient in a small town deep in the English countryside. This is her field of expertise, this is the chance she's been waiting for, and this case could make her name known across the world. But therein lies the danger. Emma left this same town fourteen years ago and has taken great pains to cover all traces of her past since then. Places aren't haunted . . . people are. But now something—or someone—is calling her back. And the more time she spends with her patient, the more alarmed she becomes that he knows the one thing about her

that nobody is supposed to know.
