A History of the World in 6 Glasses - Tom Standage 2009-05-26

The New York Times Bestseller "There aren't many books this entertaining that also provide a cogent crash course in ancient, classical and modern history." -Los Angeles Times Beer, wine, spirits, coffee, tea, and Coca-Cola: In Tom Standage's deft, innovative account of world history, these six beverages turn out to be much more than just ways to quench thirst. They also represent six eras that span the course of civilization—from the adoption of agriculture, to the birth of cities, to the advent of globalization. *A History of the World in 6 Glasses* tells the story of humanity from the Stone Age to the twenty-first century through each epoch's signature refreshment. As Standage persuasively argues, each drink is in fact a kind of technology, advancing culture and catalyzing the intricate interplay of different societies. After reading this enlightening book, you may never look at your favorite drink in quite the same way again.

The Saffron Kitchen - Yasmin Crowther 2007-08-28

In a powerful debut novel that moves between the crowded streets of London and the desolate mountains of Iran, Yasmin Crowther paints a stirring portrait of a family shaken by events from decades ago and worlds away. On a rainy day in London the dark secrets and troubled past of Maryam Mazar surface violently, with tragic consequences for her daughter, Sara, and her newly orphaned nephew. Maryam leaves her English husband and family and returns to the remote Iranian village where her story began. In a quest to piece their life back together, Sara follows her mother and finally learns the terrible price Maryam once had to pay for her freedom, and of the love she left behind. Set against the breathtaking beauty of two very different places, this stunning family drama transcends culture and is, at its core, a rich and haunting narrative about mothers and daughters.
