Valuation Challenges and Solutions in Contemporary Businesses - Köseo?lu, Sinem Derindere 2019-11-29

Defining the value of an entire company can be challenging, especially for large, highly competitive business markets. While the main goal for many companies is to increase their market value, understanding the advanced techniques and determining the best course of action to

maximize profits can puzzle both academic and business professionals alike. Valuation Challenges and Solutions in Contemporary Businesses provides emerging research exploring theoretical and practical aspects of income-based, market-based, and asset-based valuation approaches and applications within the financial sciences. Featuring coverage on a broad range of topics such as growth rate, diverse business, and market value, this book is ideally designed for financial officers, business professionals, company managers, CEOs, corporate professionals, academicians, researchers, and students seeking current research on the challenging aspects of firm valuation and an assortment of possible solution-driven concepts.

Business Law, 5th Edition - Nickolas James 2020-01-21

Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The Business Law interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers.

Communication for Business and the Professions: Strategies and Skills - Judith Dwyer 2012-10-15

The comprehensive how-to guide to preparing students for the demands they'll face on the job. Dwyer thoroughly addresses the new-media skills that employees are expected to have in today's business environment. Now titled Communication for Business and the Professions: Strategies and Skills, the fifth edition presents these technologies in the context of proven communication strategies and essential business English skills. With new and updated content on social media and technology, Dwyer provides comprehensive coverage of communication strategies and skills by linking theory and research with practical skills and examples. Dwyer believes in expanding our knowledge of what we can do to interact effectively and provides us with working models to practise and refine how well we do it. This edition continues to provide a solid background in communication, stimulate critical thinking, and promote active learning through a variety of features and activities.

Solutions to Case Studies for Graduate Students - Kofi Aninakwa 2019-03-21

Graduate students, college libraries, and organizations or management teams will benefit tremendously when they acquire and use the solutions to the case studies in this book. Case studies are the well-established and proven techniques that guide students or management teams to adopt prudent concepts theoretically in real-world situations. These studies can help to address an organization's dilemma depending upon the expectations of the stakeholders and the investors. In this edition, this book gives readers access to exemplary solutions to case studies drawn from a wide variety of cases in both academic and applied fields. By studying these examples, students can actively develop their skills in problem-solving using analytical tools to make decisions in complex situations. The reader can cope with ambiguities and learn how to apply optimal solutions in similar situations. It is a must read for anyone intending to tackle managerial case studies.

Answers for Ethical Marketers - Deirdre K. Breakenridge 2021-04-22

With recent changes in technology, media, and the communication landscape, the journey to ethics has become more complicated than ever before. This book aims to answer ethical questions, from applying ethics and sound judgment through your organization and communication channels to taking your ethics and values into every media interview. With the understanding of how personal and professional ethics align, business leaders, managers, and students will maneuver their way around this new landscape showcasing their values in ethical conduct. This book is divided into eight important areas based on where and why a breakdown in ethical behavior is likely to occur, and delivers advice from experts on the frontlines of business communications who know what it means to face the inherent changes and challenges in this field. With more than 80 questions and answers focused on guiding marketing, PR and business professionals, readers will uncover situations where ethics are challenged, and their values will be tested. This straightforward Q&A guidebook is for professionals who realize ethics are a crucial part of decision-making in their communications and who want to maintain trust with the public and their positive brand reputations in business. Readers will receive answers to pressing ethical questions to help them apply best practice guidelines and good judgment in their own situations, based on the stories, theories, and practical instruction from the author's 30 years of experience as well as the thought leaders featured in this book.

Sexual Harassment in the Workplace: Law and Practice

Civil False Claims and Qui Tam Actions, 5th Edition - Boese 2021-03-04

Civil False Claims and Qui Tam Actions is an essential weapon for bringing or defending a qui tam action. This Fourth Edition, two-volume treatise provides comprehensive analysis of The Civil False Claims Statute and a balanced approach to every important aspect of case preparation and litigation -- from establishing the merits of a whistleblower claim to determining the formula for arriving at the qui tam plaintiff's award. Civil False Claims and Qui Tam Actions, frequently cited by the courts, is clearly and concisely written to: walk you, step-by-step, through each phase of case preparation, from the perspective of both plaintiff-relator and whistleblower defendant spell out the unique procedural requirements in a civil false claims action -- from the applicability of statute of limitation rules to the scope of discovery under a "civil investigation demand" by the federal government explain how to draft a whistleblower complaint collect, organize and interpret the controlling case law direct you to the relevant statutory whistleblower provisions, rules and regulations that apply to the issues under discussion analyze the legislative history of The False Claims Act and explains why it is essential to the success of a prosecutor's or defense's cause of action and alert you to emerging trends in civil false claims and qui tam actions For the best guidance on how to bring or defend a qui

tam action, consult the civil false claims specialist - John T. Boese. John T. Boese is an expert author and litigation partner in the Washington, DC law office of Fried, Frank, Harris, Shriver & Jacobson. with more than 25 years of experience in civil fraud cases, both as a former DOJ attorney and as defense counsel. In a clear and straightforward manner, he offers his expert analysis of recent developments on: The Supreme Court's decision on "original source" in Rockwell The recent trend by state legislatures to enact false claims laws that mirror the federal law. The "presentment" requirement Corporate liability under The Civil False Claims Act Interpreting the public disclosure bar and original source requirement Challenges to sufficiency of FCA complaints under Rule 9(b)

The Civil False Claims Act has captured the attention of any organization doing business with the federal government, for very good reasons: Virtually any person that receives, spends or uses federal money may be liable under The Civil False Claims Act. Private individuals, including employees can be whistleblowers on contractor fraud by bringing a qui tam lawsuit on behalf of the federal government - and receive up to 30% of any judgment or settlement. The courts have upheld highly creative claims brought under The Civil False Claims Act. Don't get lost in the maze of changing, complicated, and confusing qui tam provisions, whistleblower rules, and civil false claims regulations! Note: Online subscriptions are for three-month periods.
