Airbnb Startup Guide - Spencer Cooper 2021-02-18

Airbnb Startup Guide: How to Make Money with Airbnb and Short Term Rental Investing I was failing financially. I was in a dead-end customer service job and owned a failing laundromat. I needed a quick way to get out of debt and become financially free. I took a stab at renting my apartment out on weekends when I was out of town using Airbnb - and it paid off. When I first started renting via Airbnb, I really had no idea what I was doing. I was just trying to make a quick buck. I made an account and listed my apartment with nothing but a few photos. That first year, I managed to make about \$9,000 but felt it could make more if I did something right. I quickly changed my strategy. I needed to approach this whole Airbnb thing like a true business. I took a look from the inside out and tried to make it the best business that I could. I adapted new strategies, brushed up my listing, and the rest is history! The next year, my bookings and sales nearly doubled. Now, as it's not even my full-time job and I only rent at specific times, my Airbnb side income brings me in over \$50,000 per year. With the right approach, you can turn your space into a hosting platform that easily accommodates people from all walks of life and cultural backgrounds. Guests can step into your home and stay for as long as they want without feeling homesick. Everything I learned since 2013 about Airbnb I share with you in my book Airbnb Startup Guide - Building Wealth with Airbnb You will learn from my years of experience as I show you how to start, run, and grow a business with Airbnb and short term property rentals. Don't worry, in most cases, you don't even have to own a house! You will learn all about these topics: My Personal Journey to Growing a Successful Airbnb Business Airbnb Terminology Worth Knowing An Overview of Airbnb Understanding the Advantages of Airbnb Understanding the Disadvantages of Airbnb Discrepancies in Property Descriptions The Effect of Covid-19 on Airbnb's Cancellation Policy First Step to Becoming an Airbnb Host How to Create a Striking, Long-Lasting Impression with Your Listings Familiarize Yourself with the Local Laws Pricing Advice How to Create a Cancellation Policy How to Become More as An Airbnb Super Host Creating a Great Listing on Airbnb The 7 Available Property Types Airbnb Tiers such as Airbnb Plus and Beyond by Airbnb Investing in a Property How to Pinpoint the Ideal Cities that Promote Airbnb Conducting a Comparative Market Analysis (CMA) Optimizing the "Rental Arbitrage" Platform How to Minimize Costs and Maximize Your Profits Potential Rental Generation for Long-Term Rental Legal Options to Consider A Listing of General Expenses Legal Issues Concerning Bed and Breakfast/Hotel Services Self-employment taxes - Medicare and Social Security Handling Positive and Negative Reviews Effectively Resolving Other Challenges Experienced with an Airbnb business How You Can Expand Your Real Estate Properties Via Airbnb Examining The Impact of Property Location on Your Listing PLUS Two Bonus Sections: Rental Property Apps Worth Trying and Investing in Other Related Jobs You should review the Table of Contents in the book preview so you can see just what you're getting for your money. Financial Freedom - Grant Sabatier 2020-04-07

The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifhacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about

money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

How to Airbnb(r) - Jeffrey S Malfatti 2020-06-17

Make \$2500, \$5000, or \$10,000 per month without lifting a finger! Ever wonder why so many books on Airbnb(R) and short-term rentals (STRs) promise easy money? They aren't lying--it's likely you will increase your income substantially by renting your property short-term rather than long term, if you are legally able, and your property is in a market that's viable for STRs. But those books aren't telling you the whole truth. To have an STR business that fires on all cylinders and brings in the most cash, you need to plan and execute smartly, doing everything right from day one. Unlike most businesses--especially in a competitive market--it is a bad idea to try to learn STRs by trial and error. The financial stakes are just too high. Bad reviews follow you forever, and mistakes you make on your first day of business (or even before!) can affect you for years to come, affecting your bookings, the prices you can charge, and therefore, your income. Jeffrey S. Malfatti, Esq. is a licensed attorney who has served clients with their short-term rental and other property issues in New Orleans, Louisiana for close to ten years, and managed short-term rentals of his own as well. This book offers a wealth of information on planning, advice, insider tips, and other valuable information to get you started in the hot and expanding short-term rental business. What are the critical things you need to think about before you open your STR, as well as while you are operating it? If you don't know, you should. This book answers that, and more, walking you through the basics, like how to get your property listed on Airbnb, how to attract guests (including in the off-season), what amenities to offer, what to charge, and much more. Don't buy a book that promises you \$10,000 the first month but glosses over the hard parts, leading you into a financial quicksand that can sink your business. Buy and read this book for the full story, including how to avoid the traps.

Million Dollar Host: Julie's Airbnb Portfolio Earned Over a Million Dollars in Her First Year... Yours Can Too! - Julie George 2018-09-20

What makes a Million Dollar Host? Ask Julie George. In 2016, curiosity led her to list her first property on the trending Airbnb site. In no time at all, it became apparent that there was more than just 'holiday money' to be made. Far from simply listing properties, Julie George turned a 'hobby' into a business. A very

profitable one. Move forward a year and Julie's 'hobby' took \$1.43 million in bookings with her second year looking likely to double that amount. In Million Dollar Host Julie George shows you how you can do the same - even if you don't own a property to list. Already got a rental? Then maximise your earnings by moving from longterm rentals to Airbnb. Creating goals and seeing them through At the beginning of 2016, Julie George wrote a list of the goals that she hoped to achieve in the short-term. They consisted of: Establishing an innovative business that could be scaled-up and applied anywhere in the world. Creating a business that worked for her rather than being a slave to it. This meant she could still develop other ideas and 'have a life'. Developing a business that would change the lives of all involved (employees, contractors, property owners) Starting a company without having to borrow any money Earning money in an industry where payments from customers were straight-forward Generating enough income to afford a private office, a bar fridge and car parking space. Fast forward 18-months and did Julie George achieve these things? Yes, she did. And more!.. Like most entrepreneurs, Julie was able to see a gap in the market, in this case, in the way Airbnb properties were managed. After listing her first property, she saw how straightforward and promising listing on the site could be. With her experience in real estate, it was easy for her to compare the income generated from longterm rentals to the more lucrative short-holiday lets. Another issue that Julie identified was that Airbnb property owners were not taking full advantage of the site. This, she discovered, was either through lack of time or inexperience. In a short turnaround, Julie had a second property on the Airbnb market while, at the same time, managing a client's properties. Throughout this process, Julie was able to put the wheels of her own business Host My Home in motion. At the same time, her book, Million Dollar Host was created. In Million Dollar Host Julie George shows YOU how: To use a multitude of strategies to make an income from Airbnb - even if you don't own property. To maximise your listing(s) on Airbnb by formatting a great listing. To implement her tips and shortcuts to make your listing stand out. To find new Airbnb properties to manage. To start building your own multi-million-dollar business on the back of the sharing economy. If financial freedom and being your own boss are just some of your dreams - read on. Julie George's entrepreneurial vision has seen her tap into the Airbnb 'sharing economy' and transform it into a highly profitable business. In Million Dollar Host, Julie shares knowledge and experience and her tips and insider tricks so you can set up a similar business in your area. She takes you through every step of the process, from maximising your listing potential to ways to expand your property management portfolio and offerings. Even better, Julie's strategies to make a hefty profit from Airbnb apply even if you don't own your own rental property! When it comes to building a business out of Airbnb, the possibilities are as endless as the earnings.
