

# Rennes Le Cha Teau Wisigoths Cathares Templiers L

Thank you very much for downloading **Rennes Le Cha Teau Wisigoths Cathares Templiers L** . Maybe you have knowledge that, people have search numerous times for their favorite books like this Rennes Le Cha Teau Wisigoths Cathares Templiers L , but end up in harmful downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some infectious virus inside their laptop.

Rennes Le Cha Teau Wisigoths Cathares Templiers L is available in our digital library an online access to it is set as public so you can download it instantly.

Our digital library hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Rennes Le Cha Teau Wisigoths Cathares Templiers L is universally compatible with any devices to read

**The Reign of King Stephen** - David Crouch  
2014-06-06

At last: an authoritative, up to date account of the troubled reign of King Stephen, by a leading scholar of the Anglo-Norman world. David Crouch covers every aspect of the period - the king and the empress, the aristocracy, the Church, government and the nation at large. He also looks at the wider dimensions of the story, in Scotland, Wales, Normandy and elsewhere. The result (weaving its discussions around a vigorous narrative core) is a a work of major scholarship. A must for specialist and amateur medievalists alike.

**The Templar Revelation** - Lynn Picknett  
2004-09-21

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the

founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

**The Biggest Secret** - David Icke 1999

In documented detail, the author argues that the same interconnecting bloodlines have controlled the planet for thousands of years. Original.

**The Temple And The Lodge** - Michael Baigent  
2013-04-30

In this enthralling historical detective story, the authors of The Holy Blood and the Holy Grail trace the flight after 1309 of the Knights Templar from Europe to Scotland, where the Templar heritage was to take root, and would be perpetuated by a network of noble families. That heritage, and the Freemasonry that arose from it, became inseparable from the Stuart cause. The Temple and the Lodge charts the birth of Freemasonry through the survival of Templar traditions, through currents of European thought, through the mystery surrounding Rosslyn chapel, and through an elite cadre of aristocrats attached as personal bodyguards to the French king. Pursuing Freemasonry through the 17th and 18th Centuries, Michael Baigent

and Richard Leigh reveal its contribution to the fostering of tolerance, progressive values, and cohesion in English society, which helped to preempt a French-style revolution. Even more dramatically, the influence of Freemasonry emerges as key factor in the formation of the United States of America as an embodiment of the ideal 'Masonic Republic'.

**The Cathars** - Malcolm Lambert 1998

Solomon's Treasure - Tracy R. Twyman

2005-10-01

It is commonly known that the United States was founded by men with a philosophy grounded in the occult: namely Freemasons, who saw in the US a potential "New Atlantis," which would guide the nations towards a New World Order of peace, democracy, and enlightenment. But what few people understand is the correlation between the esoteric doctrines of Masonry and the economic principles that underpin the American economy. Few understand that the dollar is a unit of magical energy, and the dollar bill itself a magical talisman. Although many words have been written by conspiracy theorists analyzing the Masonic symbols on the one dollar bill, no one has yet been able to sufficiently explain why these symbols are there, or what they really mean. Solomon's Treasure explains how the magic of the dollar operates. The creation of money by the Federal Reserve, and its exponential multiplication by the procedures of the banking system, is analogous to the creation and multiplication of gold in the metaphysical practice of alchemy. The members of the Federal Reserve Board are in many ways like sorcerers, conjuring wealth seemingly out of thin air and distributing it at will to transform the American economy according to their desires. The dollar is "fiat currency," declared into existence by the central bank in a manner similar to the creation of the universe by the divine words "Let there be light!" This system depends entirely on a religious faith by the American people in the supernatural power of the dollar. This faith is reinforced by the financial terminology currently in use, as well as by watchwords and symbols found on American money. These act as magical charms, and also as tokens of communal trust in, and fidelity to, the dollar as an institution. Every time a person

spends a dollar, or accepts a dollar as payment, they are confirming their belief in the dollar, and using it to exercise their spiritual will. Even the familiar dollar (\$) sign has an occult meaning which is linked with these ideas. Solomon's Treasure reveals the role played by the proto-Masonic Order of Knights Templar in the development of capitalism and the modern banking system. Because of their pivotal contributions, numerous modern financial terms, monetary concepts, and banking practices can be traced back to the Templars. Perhaps most shocking are the links between the treasure of King Solomon, purportedly discovered by the Knights Templar, and America's wealth. In Solomon's Treasure, author Tracy R. Twyman explains how time-honored esoteric wisdom principles of wealth creation have been passed down through the ages: from King Solomon, to the Knights Templar, to the Freemasons, and ultimately to the architects of the US dollar.

**Rennes-le-Château** - Jean-Luc Robin

2014-09-24

«I approached the Saunière affair with fresh eyes. I had his archive in my hands. I was living in his house, at the meeting place of a mass of information. I was confronted by a public which was sometimes scornful, sometimes incredulous, but always questioning. Each day presented a new challenge - each group of tourists created a new scenario. I knew that I had built myself a public when, at the end of each tour, somebody would ask me if I'd written a book on the subject.» So here -at last- is that book... different, humorous, full of affection for a very unusual priest, packed with details and with documents. The author takes us, step by step, along the trail of Béranger Saunière, uncovering his secrets until he reaches the point where he must turn and say: «From here on, I must let go of your hand ...» Let us leave the last word to Henry Lincoln, who says, in his preface to his book: «All those other writers - myself included - can only catch a glimpse of the truth of Béranger Saunière's life. Jean-Luc has felt it. And so this book has something special to offer.» Jean-Luc Robin has known Rennes-le-Château since he was seven years old. Forty years on, he has had the privilege of living at the very heart of the mystery, in Béranger Saunière's own home. From 1994 to 2000, he opened the domain to the

public, welcoming more than 12 000 visitors every year and telling them a story based upon verifiable facts... but leaving the Dream untouched.

*The Kings Before the Norman Conquest* - William (of Malmesbury) 1989

**The Magdalene Legacy** - Laurence Gardner 2007-03-31

From the best-selling author of *The Bloodline of the Holy Grail* and *Lost Secrets of the Sacred Ark* comes an explosive historical detective story presenting secret archives on the mysterious life of Mary Magdalene, the hidden lineage of Jesus and Mary, and the real two-thousand-year-old conspiracy involving the entire history of Christianity. Mary Magdalene is described in the New Testament as Jesus' close companion -- a woman he loved and his financial sponsor. And yet, in contrast, the Church teaches that she was a prostitute who became repentant. Why the discrepancy between scripture and dogma? Why does Mary appeal so romantically to artists who have painted her throughout the centuries as something much more significant than the Church traditionally portrays? What is the secret of Mary Magdalene and how much do we really know about her relationship with Jesus? Were they married? Did they have children, and if so, who makes up the messianic lineage? Laurence Gardner takes us on a detective trail to piece together the true controversial significance of the Magdalene story and its astonishing implications. These include the real da Vinci connection -- the true meaning behind Leonardo da Vinci's paintings and why the Renaissance Church censored portrayals of the Magdalene -- and information on the sacred marriage of Jesus and Mary Magdalene. Plus the truth about the enigmatic Templar society called the Priory of Scion and the underground stream that protected the sacred heritage of the messianic descendents. And much more!

Marc Bloch - Carole Fink 1991-05-02

Traces the life of the French-Jewish patriot who was a major participant in the French Resistance during World War II

**Saunier's Model and the Secret of Rennes-le-Chateau** - André Douzet 2004-03

In 1916, Berenger Saunier, the enigmatic priest of the French village of Rennes-le-Chateau,

created his ultimate clue: he went to great expense to create a model of a region said to be the Calvary Mount, indicating the 'Tomb of Jesus'. But the region on the model does not resemble the actual lay-out of Jerusalem. Did Saunier leave a clue as to the true location of his treasure? And what is that treasure? After years of research, Andre Douzet discovered this model, never collected from the model maker by Saunier, who had died just before the model's completion. Backed by evidence showing correspondence between Saunier and the model maker, Douzet also reveals much new evidence, including the revelation that Saunier spent large amounts of time and money in the city of Lyons, often on exotic and high tech photographic instruments. And for the first time, it is shown Saunier met some very interesting people from esoteric, in particular Martinist, circles in Lyons. This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest -- a theory widely speculated on so far by others authors, but seldom if ever backed by evidence. The model is the only real clue Saunier left behind as to the nature and location of his treasure -- and is unveiled in this book, which includes pictures and detailed drawings of the model, among many other things. It also reveals the location of the region where Saunier had located his treasure...and where Douzet himself has so far recovered large quantities of precious and semi-precious materials. Above all, Douzet demonstrates that grounds of Perillos not so much hold a 'treasure' (though present), but rather a 'secret', and that this secret was the true importance of Saunier's mystery; a secret that is said to be of vital importance -- and terrifying force.

**Inside the Priory of Sion** - Robert Howells 2012-01-01

The first book to pull back the curtain on the secrets of the Priory of Sion—the ultra-reclusive secret society thrust into the limelight by Dan Brown's *The Da Vinci Code*. For years they have hidden in the shadows, lurking behind other secret societies . . . until now. In this revelatory book, inside sources from the Priory of Sion give exclusive access to some of their best-kept secrets, including proof of the marriage of Jesus and Mary Magdalene. The reason is as

sensational as the secrets themselves: the apocalypse foretold in the Book of Revelation, culminating in the emergence of a savior sprung from the bloodline of Christ. Join Robert Howells as he traces the clues to this cataclysm in tombs, temples, churches, manuscripts, and paintings to give readers the truth they need to face the Second Coming without fear.

The Sion Revelation - Lynn Picknett 2006

Lynn Picknett and Clive Prince have long been fascinated by the conspiracies surrounding secret knowledge of Jesus, Mary Magdalene and John the Baptist, much of which centred on the activities of the Priory of Sion. In this work, the authors look closely at this controversial organization and the secrets it allegedly protects.

Cahiers d'études cathares - 1980

Henri Langlois, First Citizen of Cinema -

Georges Patrick Langlois 1995

The story of Henri Langlois and his Cinematheque is itself the stuff of movies, a tale vividly recounted in this, the first English translation of a book that won the French Prix du Palais Littéraire. Drawing on interviews with more than 100 film personalities, Langlois's personal papers, and a host of other primary sources, author Glenn Myrent, in collaboration with Langlois's brother, Georges Langlois, brilliantly captures the drama and pathos, the humor and genius of Henri Langlois, a colorful and often controversial figure who in the course of his efforts won the admiration of film luminaries and the enmity of bureaucrats. From its foreword by Akira Kurosawa to its afterword composed solely for this edition, the volume brims with fascinating details heretofore unavailable, among them the cloak-and-dagger intrigue of Langlois's rescue of thousands of films during the German occupation of France, Langlois's personal reflections on his 1939 trip to the United States, and insider accounts of the government-inspired ousting of Langlois from the Cinematheque in 1968 - an event that created such a furor among the international film community that Langlois was soon reinstated.

*The Rejection of Consequentialism* - Samuel Scheffler 1994-08-11

In contemporary philosophy, substantive moral

theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

**Le guide Seat des musées** - Alain Morley 1992

**The Templar Papers** - Oddvar Olsen

2006-01-01

The Templar papers, author and historian Oddvar Olsen has assembled a veritable Who's Who of experts to unravel the mystery.

The Paradise Co-Ordinates - John Pollard 2002

There has been a great deal of speculation, delivered in the form of TV documentaries, a great many books, and even these days various websites, as to exactly what Sauniere's discovery was. One theory suggests that Rennes-le-Chateau inherited the treasures of Jerusalem, plundered by the Romans in AD70, then plundered again by the Visigoths when they sacked Rome. Thereafter the Visigoths spread their kingdoms into what is now France. Whatever this treasure was, with his new-found

wealth Sauniere embarked on a wide range of private and civic building projects in Rennes-le-Chateau. He lived out the remainder of his life there, until 1917, in comfort and well-being. Precisely how he found these riches has stimulated much interest since, with most who have studied the subject believing the treasure still remains in Rennes-le-Chateau, and awaits re-discovery. So far, all scholarship and writing surrounding it has failed to offer even the slightest insight as to where the treasure is located. However, it is now the case that John R Pollard's 'Paradise Co-ordinates' can and does reveal the point in Rennes-le-Chateau where the author determines the treasure is buried, through a reasoned work

**The Jesus Papers** - Michael Baigent 2009-03-17

What if everything we have been told about the origins of Christianity is a lie? What if a small group had always known the truth and had kept it hidden . . . until now? What if there is evidence that Jesus Christ survived the crucifixion? In Holy Blood, Holy Grail Michael Baigent and his co-authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline. The book became an international publishing phenomenon and was one of the sources for Dan Brown's novel The Da Vinci Code. Now, with two additional decades of research behind him, Baigent's The Jesus Papers presents explosive new evidence that challenges everything we know about the life and death of Jesus.

The Holy Place - Henry Lincoln 1991

Continues the investigation, reported in "Holy Blood, Holy Grail," into accursed treasure, the Knights Templar, Jesus, and the existence of a megalithic masterpiece.

*Donjons et castels au pays des cathares* - Simone Coigny-Saint Palais 1964

**The Secret History of the World** - Jonathan Black 2013-05-30

THE INTERNATIONAL BESTSELLER The complete history of the world, from the beginning of time to the present day, based on the beliefs and writings of the secret societies. Jonathan Black examines the end of the world and the coming of the Antichrist. Or is the Antichrist already here? How will he make

himself known and what will become of the world when he does? Will it be the end of Time? Having studied theology and learnt from initiates of all the great secret societies of the world, Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness. This history shows that by using secret techniques, people such as Leonardo da Vinci, Isaac Newton and George Washington have worked themselves into this altered state - and have been able to access supernatural levels of intelligence. This book will leave you questioning every aspect of your life and spotting hidden messages in the very fabric of society and in life itself. It will open your mind to a new way of living and leave you questioning everything you have been taught - and everything you've taught your children.

**The Second Messiah** - 1997

Donation.

**Anglo-Indian Identity** - Robyn Andrews 2021-03-21

Revisionist in approach, global in scope, and a seminal contribution to scholarship, this original and thought-provoking book critiques traditional notions about Anglo-Indians, a mixed descent minority community from India. It interrogates traditional notions about Anglo-Indian identity from a range of disciplines, perspectives and locations. This work situates itself as a transnational intermediary, identifying convergences and bridging scholarship on Anglo-Indian studies in India and the diaspora. Anglo-Indian identity is presented as hybridised and fluid and is seen as being representative, performative, affective and experiential through different interpretative theoretical frameworks and methodologies. Uniquely, this book is an international collaborative effort by leading scholars in Anglo-Indian Studies, and examines the community in India and diverse diasporic locations such as New Zealand, Britain, Australia, Pakistan and Burma.

**The Treasure of Rennes-le-Château** - Bill Putnam 2005-01-01

It is said that, Berenger Sauniere, priest of the village Rennes-le-Chateau, was guarding a secret about Jesus Christ. The Priory of Sion, an

organisation apparently founded in the 12th century, is said to lie behind the tale. This book publishes a study of the village, and reveals the source of Sauniere's wealth and nature of the Priory of Sion.

**Walking in Albion** - Richard Leviton

2010-04-22

FICTION Take a visionary walk through the cosmos right here on the Earth What if you woke up one morning and realized you are the cosmos, all the heavenly realms and gods, and a reflection of God Himself/Herself? Th at you and the Earth have the same structures of consciousness, are made virtually the same? Walking in Albion is an amusing, passionate first-person answer to that. It chronicles interactions with the Earth through its sacred sites in a style full of jokes and visions, whinges and epiphanies. Leviton reports life on the path of the Christed Grail Knight in search of a cosmic spirit called Albion, the cosmos in a giant human form, the soul of the planet. Albion is a picture map of Creation, full of lights and palaces and the memories of humanity on Earth since the beginning. Join Leviton in an odyssey of meditation and visionary experience from sites in Norway, France, England, and Scotland to America, Mexico, and Tahiti. Oh yes, he travels with plenty of sidekicks, jokers, and wellwishers, especially angels. Want a freshly conceived meditative-spiritual experience that includes the Earth as a prime recipient of your contacts and changes? Walking in Albion is an unusual and original approach to the Mysteries of human and Earth, a fresh, bold way of regarding the authentic Christ, not as dogma but experience yours in the theater of the Earth. Plus guidelines to relate effectively with the geomantic landscape, and have fun and insight doing it, as you contribute to the Earths well-being starting today and begin

*Écrits de Paris* - 1990

A Book of the Cevennes - Sabine Baring-Gould

1907

*Rex Deus* - Marilyn Hopkins 2000

This modern Grail quest leads to a French hilltop village with a turbulent history of religious and political intrigue and secrets--such as the claim that some of its families descended from the 24

high priests of the Temple in Jerusalem. This book provides the first full examination of this shadowy dynasty and the way it has altered history. Line drawings.

Rennes-le-château, Wisigoths, Cathares,

Templiers. Le secret des hérétiques - Jean Blum 2003

Bérenger Saunière, un prêtre de trente-trois ans, est nommé curé de Rennes-le-Château, village de cent âmes, en 1885. Eglise et presbytère menacent ruine ; le nouveau curé subsiste petitement. Dix ans plus tard, il a pourtant refait l'église - selon des plans très étranges. Il a édifié un domaine cossu dans lequel il accueille un archiduc d'Autriche, un ministre de la République, une diva de l'opéra. L'abbé dépensera l'équivalent de près de 4,5 millions d'euros en vingt-deux ans. L'abbé aurait-il découvert un trésor ? Celui des Templiers ? Ou aurait-il exploité ses secrets extraordinairement dangereux pour certains pouvoirs établis ? Au travers des pistes douteuses et des désinformations orchestrées, l'auteur mène une véritable enquête en profondeur. Et nous propose une conclusion percutante. Saunière n'aurait-il pas découvert des documents remettant en question la suprématie du Saint-Empire ? Un document qui se lit comme un véritable roman policier.

*Esotérisme et socialisme* - Francis Bertin 1995

*Les Livres disponibles* - 2000

La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des éditeurs et la liste des collections de langue française.

Henry I - C. Warren Hollister 2008-10-01

Henry I, son of William the Conqueror, ruled from 1100 to 1135, a time of fundamental change in the Anglo-Norman world. This long-awaited biography, written by one of the most distinguished medievalists of his generation, offers a major reassessment of Henry's character and reign. Challenging the dark and dated portrait of the king as brutal, greedy, and repressive, it argues instead that Henry's rule was based on reason and order. C. Warren Hollister points out that Henry laid the foundations for judicial and financial institutions usually attributed to his grandson, Henry II. Royal government was centralized and

systematized, leading to firm, stable, and peaceful rule for his subjects in both England and Normandy. By mid-reign Henry I was the most powerful king in Western Europe, and with astute diplomacy, an intelligence network, and strategic marriages of his children (legitimate and illegitimate), he was able to undermine the various coalitions mounted against him. Henry strove throughout his reign to solidify the Anglo-Norman dynasty, and his marriage linked the Normans to the Old English line. Hollister vividly describes Henry's life and reign, places them against the political background of the time, and provides analytical studies of the king and his magnates, the royal administration, and relations between king and church. The resulting volume is one that will be welcomed by students and general readers alike.

**The Mark of the Beast** - Trevor Ravenscroft  
1997-01-15

This book is the result of years of research into the history of the Spear of Destiny and the struggle between good and evil in the Western world. For 2,000 years, the Spear of Destiny, purported to have pierced the side of Christ while he was on the cross, has been sought by rulers of the Western world, who have tried to harness the Spear's absolute power. This book explores the odyssey of the Spear and its potential role in the Apocalypse. Illustrated.

**The Messianic Legacy** - Henry Lincoln  
2013-05-31

The startling, frighteningly convincing sequel to *The Holy Blood and the Holy Grail* that reveals the very nature of the Messianic Legacy. After the shocking revelations of *The Holy Blood and the Holy Grail* the authors, in their quest to determine the discrepancies between early and modern 'Christian' thought, found that they were forced to ask such questions as: \*Was there more than one Christ? \*Was Christ the founder of Christianity? \*Were the disciples as peace-loving as it is traditionally assumed? \*What links the Vatican, the CIA, the KGB, the Mafia, Freemasonry, P2, Opus Dei and the Knights Templar \*What mysterious modern crusade implicates British industry, Churchill and de Gaulle, the EEC and Solidarity? *The Messianic Legacy* offers enthralling new investigations into the shadowy society of the 'Priore de Sion' - 'The Guardians of the Holy Grail' - as the authors

discover the murky world of politics, finance, freemasonry, and religion that exists beneath the most solid and conservative seeming of European institutions: the Church. The ominous global conspiracy of disinformations they uncovered ensures that *The Messianic Legacy* is an up-to-the-minute thriller and a work of biblical detection that is even more significant than *The Holy Blood and the Holy Grail*.

*The Merovingian Mythos and the Mystery of Rennes-Le-Chateau* - Tracy R. Twyman 2004  
Do five mountains in Southern France contain the greatest treasure of human history? What exactly was the artifact known as the Holy Grail? Was civilization created by beings that were greater than human? Was there once a primeval language given to us by the gods? Does the so-called Grail bloodline descend not just from Jesus, but from the biblical Cain? What is it that makes the Grail bloodline special, and gives the "Grail kings" a divine right to rule? What is the nature of the ancient conflict that has shaped thousands of years of human history? These questions and more are addressed in Tracy R. Twyman's long awaited book "*The Merovingian Mythos and the Mystery of Rennes-le-Chateau*." Ms. Twyman has been a journalist and occult researcher for more than ten years. She has pursued the Grail mystery in her magazine, *Dagobert's Revenge*, for more than seven years. Now within the pages of this revolutionary work, Twyman reveals the shocking results of this exhaustive research. After reading this volume, you will never look at history or mythology the same way again.

**Truth Vibrations** - David Icke 1999-07  
David Icke's extraordinary story and the message that *Truth Vibrations* brings to every man, woman and child is of importance to the future of planet Earth.

**The Rosicrucian Manifestos** - Paul Goodall  
2006

*Holy Blood, Holy Grail* - Michael Baigent  
2007-12-18

Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a father, and that his bloodline still exists? • Is it possible that parchments found in the South of France a

century ago reveal one of the best-kept secrets of Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible — they are probably true! so revolutionary, so original, so convincing, that the

most faithful Christians will be moved; here is the book that has sparked worldwide controversy. "Enough to seriously challenge many traditional Christian beliefs, if not alter them." — Los Angeles Times Book Review "Like Chariots of the Gods?...the plot has all the elements of an international thriller." — Newsweek
