*Red Dog* - Louis de Bernieres  
2012-09-12

In 1998, Louis de Bernieres—acclaimed author of *Corelli's Mandolin*—came upon a bronze statue in a town on Australia's northwestern coast and was immediately compelled to know more about "Red Dog." He did not have to go far: everyone for hundreds of miles in every direction seemed to have a story about Red Dog. He was a Red Cloud Kelpie, a breed of sheepdog known for its energy and cleverness. But Red Dog was a kind of ultra-Kelpie, energetic and clever enough for an entire breed in himself. Dubbed a "professional traveler" rather than a stray, Red Dog established his own transportation system, hitchhiking between far-flung

towns and female dogs in cars whose engine noises he'd memorized and whose drivers he'd charmed. The call of the wild was matched by the call of the supper dish; Red Dog's appetite was as legendary as his exploits. Everyone wanted to adopt him (one group of workers made him a member of their union), but Red Dog would be adopted by—or, more precisely, he would adopt—only one man: a bus driver whose love life quickly began to suffer and who never quite recovered from Red Dog's relentlessly affectionate presence.

Independent, clever, sly, stubborn, courageous and foolhardy, impatient with boredom and the boring, Red Dog endeared himself to (almost) everyone who crossed his path. These funny, surprising, and touching stories of his life are certain to endear him to every reader.

**Shoe Dog** - Phil Knight

rare and revealing look at the notoriously media-shy man behind the swoosh” (Booklist, starred review), illuminating his company’s early days as an intrepid start-up and its evolution into one of the world’s most iconic, game-changing, and profitable brands. Bill Gates named *Shoe Dog* one of his five favorite books of 2016 and called it “an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It’s a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do.” Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike’s annual sales top \$30 billion. In this age of start-ups, Knight’s Nike is the gold

standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

*Bloodhound in Blue* - Adam Russ 2013-07-16

He was born in rural Missouri, and it was immediately clear that he was different from the rest. He caught his first criminal when he was just two years old. By his sixth birthday, he had located burglars, missing children, drug dealers, rapists, and murderers—including Utah’s most wanted criminal. Known to friends as JJ, to law enforcement as Michael Serio’s partner, and to captured criminals as “that damned dog,” Jessie Jr., an

exceptionally talented bloodhound, bayed like a sea lion that had swallowed a fog horn. Before JJ, few police departments in the West used bloodhounds, and none in Utah. But just when JJ was finally convincing naysayers, he and Officer Serio ran into something worse than resistance: the despair of failure amid high hope. JJ had been tracking Brian David Mitchell, the man who abducted Elizabeth Smart, when he was pulled off the track. Elizabeth later told investigators that on the day she was kidnapped she heard a dog baying in the woods behind her. In almost nine years of service, JJ helped apprehend nearly 300 criminal suspects in the Salt Lake City area. Here is his remarkable story, fleas and all. Cody knows how it feels to lose someone too. Slowly—cautiously—Cody opens his home and his heart to the scruffy dog with one blue eye and one brown. Inspired by the true story reported in the New York Times about a homeless dog in a suburban New York neighborhood, Deborah Blumenthal tells an affecting story of coming to terms with loss and learning to love again. *Boneshaker* - Cherie Priest 2009-09-29

In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying several blocks of downtown Seattle and unearthing a subterranean vein of blight gas that turned anyone who breathed it into

the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. **Sophie** - Emma Pearse  
2012-01-24

The story that became a global sensation: Sophie, the Australian cattle dog who was lost at sea and swam six miles through shark-infested waters to a remote island where she survived in the wild for five months. It was just another day in paradise as Jan and Dave Griffith, along with their blue

cattle dog, Sophie, motored out of Mackay Marina for a gorgeous weekend at sea. But when the sky suddenly darkened and the waves turned fierce, the unthinkable happened: Sophie disappeared overboard. Her heartbroken humans couldn't fathom the loss and could only hope their beloved pet didn't suffer. But this true cattle dog and devoted best friend wasn't going to give up that easily—and what followed is a remarkable tale of survival, luck, and persistence. From the first day the Griffiths set eyes on puppy Sophie through that terrible October day she was lost, to Sophie's time as a castaway and the reunion that almost didn't happen, journalist Emma Pearse recreates the incredible journey of this canine Robinson Crusoe. An inspirational story of loyalty and the resilience of the spirit, Sophie offers undeniable proof about the unbreakable bond between humans and our pets—and that if lost, they would do anything to come home to us.

vet to the L.A. pet stars, arrives from Los Angeles to Blue Dog Valley she realizes three things. Never agree to upend your life when you're hungover Pot-belly pigs are not true farm animals She's going to need a warmer coat At first Goldie is nothing more than a fish out of water, with few clients and few friends. But after a less than pleasant encounter with a man whose dog is suffering from a possibly fatal case of bloat, she's finally earning the trust and goodwill from her fellow Blue Dog Valley citizens. Her clientele grows to include the many farm animals in the town, including a horse named Large Marge, a cape-wearing therapy alpaca, and a yardful of sweater-wearing goats. Add in Kevin, the "worst sheepdog in Blue Dog Valley," and a Sphinx cat named Airport, and Goldie is having the best time a vet can have. . . aside from the annoying attractive town grump, Cohen, who seems intent on making sure she always feels like an outsider. With her newfound goodwill, Goldie comes up with an idea

to reinvigorate the once flourishing Blue Dog Valley: a Christmas carnival. A petting zoo, pictures with Santa, a baking contest, what more could they want? After only some brief resistance from Cohen and his father, they begin the great plan to reinvigorate Blue Dog Valley. Will Christmas be enough to salvage this dying town—and be enough to bring Goldie closer to a certain grumpy man?

Blue Dog - George Rodrigue 1997

How did Tiffany, George Rodrigue's beloved pet, become the Blue Dog? What secrets lie behind her soulful golden eyes? And why has this tale about a dog, her master, and his paintings inspired millions? STC's long-awaited reprint of Rodrigue's original Blue Dog book reveals the answers. Through vibrant paintings, Rodrigue dramatizes Tiffany's transformation from a frisky -- and white-furred --

terrier/spaniel to Blue Dog. In the process, he illustrates the back and forth of both man and beast as they strive for true communication -- a level of understanding that goes far beyond their differences. The text gives voice to Tiffany as well as George, and the terrier/spaniel's sharp, sophisticated sense of humor provides a completely unique perspective on the nature of love, art, and human behavior.

**The Curious Incident of the Dog in the Night-Time** -

Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their

capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot

fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

“Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too.” -- Phillip Pullman For Milo, everything’s a bore.
