Jonny: My Autobiography -
Jonny Wilkinson 2011-11-10
Jonny Wilkinson's career has crossed three decades and four World Cups. He has accumulated phenomenal achievements, world points records, an impressive list of broken body parts, and a drop goal that will be remembered for ever. But the peculiar calmness with which he played

the game masked a very different reality. In JONNY, he reveals the extraordinary psychology that he had to tame in order to be able to dominate his sport. For most of his life, he was driven by a quest for perfection and an obsession to be the best player in the world; here he shows how these two facets of his competitive mind took such a hold of him that

they sent him to the top of the world, then swept him up and dragged him down into a spiral of despair. Jonny's career has spanned the far reaches: amazing highs and iconic moments, then a fight against injury that culminated in a battle with depression. Here he tells of the physical toll he knew his body was taking from rugby, even from his youth; he tells of how he never wanted to be a kicking fly-half but learned to adapt his natural game to play the style that Clive Woodward believed necessary to win a World Cup, and how he nearly walked out on Martin Johnson's England team 13 years later.

Pavarotti - Luciano Pavarotti
1996

Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the

joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

Munich - Robert Harris
2018-01-16

NEW YORK TIMES
BESTSELLER • From the bestselling author of *V2* and *Fatherland*—a WWII-era spy thriller set against the backdrop of the fateful Munich Conference of September 1938. Now a Netflix film starring Jeremy Irons. With this electrifying novel about treason and conscience, loyalty and betrayal, "Harris has brought history to life with exceptional skill" (*The Washington Post*). Hugh Legat is a rising star of the British diplomatic service, serving at

10 Downing Street as a private secretary to the Prime Minister, Neville Chamberlain. Paul von Hartmann is on the staff of the German Foreign Office--and secretly a member of the anti-Hitler resistance. The two men were friends at Oxford in the 1920s, but have not been in contact since. Now, when Hugh flies with Chamberlain from London to Munich, and Hartmann travels on Hitler's train overnight from Berlin, their paths are set on a disastrous collision course. And once again, Robert Harris gives us actual events of historical importance--here are Hitler, Chamberlain, Mussolini, Daladier--at the heart of an electrifying, unputdownable novel.

The Three Musketeers Part 1 - Alexandre Dumas
2018-10-16

"All for one and one for all!" The young and headstrong D'Artagnan, having proven his bravery by dueling with each, becomes a friend of Athos, Porthos, and Aramis, members of the King's Musketeers. He is in love with Constance Bonancieux and, at her urging, he and his friends head for England to reclaim two diamond studs that the Queen has imprudently given to her lover, the Duke of Buckingham. world's greatest adventure stories, and its heroes have become symbols of youth, daring, and friendship. Behind the flashing blades, Dumas explores the eternal conflict between good and evil.

The Lost Continent - Bill

Bryson 2012-09-25

"I come from Des Moines. Somebody had to." And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma, and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and slow-witted hicks with a partiality

for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country.

It offers an analysis of economic production as a mechanism of psychic production of desires and is a key work from this often overlooked but wonderfully creative French thinker.

Volcanoes of the World -

The Big Show - Pierre
Clostermann 1951

When *The Big Show* was first published, paper rationing meant that the text had to be heavily cut. Now, for the first time, this international bestseller has been returned to its complete, and breathtaking, original state. Pierre Clostermann was a Free French fighter ace who flew with the RAF during the Second World War. Over the course of five years he engaged in hundreds of dog-fights, shot down scores of Luftwaffe planes, escorted American bombers on some of the most dangerous raids of the war, and watched many of his friends falling to their deaths in the skies over the Channel. *The Big Show*, his incredible account of the air war over Britain and France, has become one of the most famous memoirs of the Second World War. Now in its original state,

it contains everything one could wish for in a war memoir: wonderfully observed descriptions of wartime Britain, frighteningly evocative stories of in-the-cockpit action, an amazing cast of characters, and all the drama and bravery of a man fighting a desperate war thousands of feet above the ground. An undeniable classic.

Lost Downtown - Peter Hujar 2016-02

It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone.

Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history.

But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

The Book of Happiness - Nina Berberova 2002-05

An outstanding novel about a young Russian woman's life in exile after the Russian Revolution. The Book of Happiness is one of the outstanding novels the great Russian writer Nina Berberova wrote during the years she lived in Paris, and the most autobiographical. "All Berberova's characters live raw, unfurnished lives, in poverty, on the edge of cities, with little sense of belonging except in moments of epiphany to their time and in

life itself" (The Observer). Such a character is Vera, the protagonist of *The Book of Happiness*. At the novel's opening, Vera is summoned to the scene of a suicide, that of her childhood companion, Sam Adler, whose family left Russia in the early days of the revolution and whom Vera has not seen in many years. His death reduces Vera to a flood

of tears and memories of the times before Sam's departure, and thoughts about how her life has gone since her move to Paris where she lives tied to a brilliant but demanding invalid husband. Berberova spins the story with a wonderful unsentimental poignancy, making it a beautiful testament to the indestructibility of happiness.
