But one evening he doesn't come home, instead accidentally snared by a much larger, industrial fishing trawler that absentmindedly carries him across the Atlantic. Back home, the village wonders what might have happened, assuming his death, but his wife refuses to give up hope. She consults a fortune teller who sees his visage in a crepe . . . alive in Cuba. Convinced her husband is still alive, she sets off on an improbable mission to save him. Completely wordless, this heartwarming and often hilarious adventure is a testament to not only the power of sequential storytelling, but the power of love itself.

In 2016, three teenage girls, Gloria, Laura, and Cristina, want to start a punk band called the Black Holes. They have everything they need: attitude, looks, instinct . . . and an alarming lack of musical talent. They've barely started rehearsing when strange things begin to happen. As their world and Teresa's intersect, they're haunted by the echo of something that happened 160 years ago.

Goya: The Terrible Sublime: A Graphic Novel - El Torres 2019-03-05

Celebrated artist Francisco de Goya confronts demons real and imagined in this vivid portrayal of the end of his life. Francisco de Goya is considered one of the most important Spanish painters of the late eighteenth and early nineteenth centuries, last of the Greats and first of the modernists. But his sumptuous images stemmed from a mind in torment, especially later in his life. Goya: The Terrible Sublime is a graphic novel inspired by Goya's life, in particular focusing on his final years, as he struggles with assorted physical ailments that threaten to take his mind, as well. Recovering from a serious illness in Cadiz, Spain, which has left him deaf, Goya suffers from terrible headaches, high fevers, and hallucinations, beset by visions of death that will become all too real with the advent of the Spanish War of Independence. Still, the monsters in his delusions are not real—but his friend Asensio Julia is, and he belongs to another world. From the mind of the terror master El Torres and the art of Fran Galán comes a terrifying story that brings readers into the artist's world of madness and dark paintings, a historical miasma populated by recognizable figures like Manuel Godoy and the Duchess of Alba and swathed in an aesthetic of cobweb-shrouded palaces and beautiful grotesques living in the shadows. This unique graphic novel tells a horror story, melding the artist's unique style and vision with the story of a man plagued by unreality. Yet even as the artist faces dreadful images of witchcraft and pure evil, he knows that he must not fall into what lurks beyond the dream of reason.

The black holes - Borja González 2018-06-14

Una fábula bella y macabra sobre los anhelos de la juventud. «No solo ha sido uno de los libros más notables de este año: ha sido un faro. Borja González ha demostrado ser maestro de una escritura singular, profundamente marcada por el género fantástico y elaborada a la luz de una poesía extraña repleta de delicadas elipses e incursiones en una cotidianidad encantada. [...] The Black Holes es como si lo mejor del cine independiente norteamericano contemporáneo se hubiera casado con el espíritu romántico de las Brontë bajo la dirección torrencial de Edgar Allan Poe como maestro de ceremonias.» Nicolas Tello, Les Cahiers de la BD Gloria, Laura y Cristina quieren montar una banda de aires punk llamada The Black Holes. Tienen todo lo que se precisa: actitud, presencia, instinto... y una debilísima formación musical. Apenas empiezan con los ensayos, un aura extraña invade su día a día: la reminiscencia de algo que ocurrió 160 años atrás y persigue a una de ellas. Reseñas: «Una fábula algo desordenada [...] de un artista revelación. [...] Los personajes de González no tienen rostro. Ninguno de ellos. La totalidad de su expresividad queda relegada a su expresión corporal. Con todo lo que ello conlleva. Y funciona a la perfección.» Iria Ros Piñeiro, Vandal de El Español «Lo salvajemente bello de este libro es lo invisible.» Emma Ríos «¡Un tebeo de 10!» David Rubín «Invita a segundas y terceras lecturas, que resultan tan o más placenteras incluso que la primera.» Raúl Jiménez, Indienauta «Borja González es uno de los dibujantes más sorprendentes de la vertiente artie del cómic español.» Gerardo Vilches, Cactus/Canino «Sin duda está entre lo más relevante [...] Y lo que será lo mejor del año.» La hora del bocadillo, RTVE «Una obra especial.» Álex Serrano, El Hype «El cómic español del año no se lee, se siente.» Paula Cantó, El Confidencial «Magia total.» Xavi Serra,

Ara «Posiblemente una de las obras más interesantes de finales de esta década.» Miguel A. Pérez-Gómez, El lector bicéfalo «Una obra extraña y profundamente evocadora.» Gerardo Vilches, Canino Magazine «Lo que hace Borja González es fascinante. Prodigioso.» Javier Marquina, La isla de las cabezas cortadas «El uso del color y su dibujo brillan como en pocos cómics he visto.» Albert Vaquero, Cultura Fetén «Un relato embriagador para los cinco sentidos.» Pedro Monje, Zona Negativa «Viene hasta arriba de belleza, misterio, ternura, punk y un buen puñado de preciosos hilos sueltos que se te quedan colgando de la nuca.» Elisa Victoria, Tribus Ocultas (La Sexta) «Punk, ansiedad y viajes en el tiempo.» Juan Losa, Público «Confirma su desbordante talento.» Jesús Jiménez, Viñetas y bocadillos «Una hermosa y melancólica parábola sobre la rebeldía juvenil, la añoranza y la creatividad.» Yexus, El Diario Montañés «El tiempo como espejo de anhelos que cambian de forma, pero no de esencia. ¡Excelente!» Álvaro Pons «Un despliegue impresionante de poesía.» El armadillo ilustrado «Un cómic español salvaje.» Bamf! This new edition contains eight pages of additional material, including previously unseen artwork that provides insights into Glyn Dillon's creative process. An unforgettable heroine striving to make "normal" feel right Twenty-eight-year-old Nao Brown, who's hafu (half Japanese, half English), is not well. She's suffering from obsessive-compulsive disorder (OCD) and fighting violent urges to harm other people. But that's not who she really wants to be. Nao has dreams. She wants to quiet her unruly mind; she wants to get her design and illustration career off the ground; and she wants to find love, perfect love. Nao's life continues to seesaw. Her boyfriend dumps her; a toy deal falls through. But she also meets Gregory, an interesting washing-machine repairman, and Ray, an art teacher at the Buddhist Center. She begins to draw and meditate to ease her mind and open her heart--and in doing so comes to a big realization: Life isn't black-and-white after all . . . it's much more like brown. Praise for *The Nao of Brown*: "Lushly rendered, passionately digressive" --The New York Times "Dillon turns in a narrative tour de force, featuring a script that works in perfect concert with almost cinematic art reminiscent of Milo Manara, but with far more expressive characters. A triumph of comics for grownups, this is a must-read." --Publishers Weekly, starred review "The art in *The Nao of Brown* is absolutely gorgeous . . . An intense story about a young woman who fights as hard to get out of her own head as some superheroes fight to save the world." --The Onion's A.V. Club "This was the best read I have had in a long time." --Scott Stantis, cartoonist for the Chicago Tribune "Dillon makes his grand return in what can only be described as a visual spectacle." --The Beat "Amazing artwork; a truly novelistic piece of storytelling, full of wisdom and compassion; and a book which is a beautiful artifact, a treat for those of a bibliophilic inclination." --Comic Book Resources "The battles are internal, but no less monumental for all of that. Such inner wars made Sandman a classic, and I have no doubt that Dillon's graphic novel will likewise be regarded as a seminal work in comic art." --The Houston Press Art Attack blog "Psychologically complex and surprising." --Paste Magazine "It's a masterpiece, and I really can't recommend it enough." --Comic Book Resources "Penciled and watercolored by hand, the pages glow with a lush realism, even in their darkest moments. The ever present motif of red can either anchor or engulf the reader, but always provides a vibrant glimpse into Nao's life." --Asian Fortune News

Firebird - Brent McCorkle 2012-10-01

What if God's love were like the sun, constant and unchanging? What if one day you realized nothing could take that away? *Firebird* is a bright orange baby oriole who just loves the sunshine. But whenever a storm blows in, he frets and asks Mama why God allows the rain to take the sun away. When *Firebird* is finally old enough, his mother gently instructs him to fly up through the thunder and lightning to see what's on the other side. It's a rough flight, and just when he's about to give up, *Firebird* rises above the storm to discover the sun shining where it always had been. God never lets the storm take the sun away. With that truth in his heart, *Firebird* continues to bask in the sunshine, but just as important, he learns to rejoice in the rain. *Firebird* is a children's book that parallels the life of Samantha Crawford, a storybook artist in the inspiring new film *Unconditional* (scheduled for a theatrical launch in fall 2012) who has lost sight of God's love.
