The Forever War - Dexter Filkins 2009-06-02

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an instant classic of war reporting from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to have reported on all these events, and his experiences are conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, *The Forever War* is not just about America's wars after 9/11, but about the nature of war itself.

Fake Photos - Hany Farid 2019-09-10

A concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Stalin, Mao, Hitler, Mussolini, and other dictators routinely doctored photographs so that the images aligned with their messages. They erased people who were there, added people who were not, and manipulated backgrounds. They knew if they changed the visual record, they could change history. Once, altering images required hours in the darkroom; today, it can be done with a keyboard and mouse. Because photographs are so easily faked, fake photos are everywhere—supermarket tabloids, fashion magazines, political ads, and social media. How can we tell if an image is real or false? In this volume in the MIT Press Essential Knowledge series, Hany Farid offers a concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Farid, an expert in photo forensics, has spent two decades developing techniques for authenticating digital images. These techniques model the entire image-creation process in order to find the digital disruption introduced by manipulation of the image. Each section of the book describes a different technique for analyzing an image, beginning with those requiring minimal technical expertise and advancing to those at intermediate and higher levels. There are techniques for, among other things, reverse image searches, metadata analysis, finding image imperfections introduced by JPEG compression, image cloning, tracing pixel patterns, and detecting images that are computer generated. In each section, Farid describes the techniques, explains when they should be applied, and offers examples of image analysis.

Analysis of India's Ability to Fight a 2-Front War 2018 - Ravi Rikhye 2018-09-21

The analysis asks one question and has one answer: Can India fight a two-front war against China and Pakistan? The answer is it cannot. Because of the China-Pakistan alliance, we cannot fight even a one-front war: engaging in a war with either adversary runs the risk of weakening the other front, leaving it open to exploitation. The solution, fortunately, is straightforward: build a 2-front war capability. The next problem is equally straightforward: The Government of India is determined not to spend money on defense. Today spending is down to 1.56% of GDP, lower even than in 1962. And we know how that ended. It takes little imagination to foresee what would have happened if 1962 had become 2-front: Pakistan would have walked over Punjab, perhaps all the way to

Delhi, and we would have lost Kashmir too. If we chose to defend Punjab, we would have lost the North East Frontier Agency, now called Arunachal. If we tried to defend both fronts, we would have lost both. For a strong defensive posture, we need to spend the 3

Falkland Road - 2005

Mary Ellen Mark first published her portrait of the prostitutes on Bombay's Falkland Road in 1981. This new edition includes previously unpublished photographs along with a new afterword by Mark. In 1978, Mary Ellen Mark convinced *Geo* magazine to send her on assignment to Falkland Road. During her three-month stay, she was able to earn the trust and acceptance of its people: prostitutes, madams, children, and customers. For this expanded edition the Marianne Boesky Gallery and the Yancey Richardson Gallery, both in New York City, will mount an exhibition of Cibachrome prints. A special edition of dye-transfer prints will be exhibited at the Fahey/Klein Gallery in Los Angeles.

The House of Jaipur - John Zubrzycki 2021-12-01

The Jaipurs were India's mid-century golden couple; its answer to the Kennedys, or Queen Elizabeth and Prince Philip. Jai and Ayesha, as they were known to friends like Frank Sinatra, Truman Capote and 'Dickie' Mountbatten, entertained lavishly at their magnificent palaces and hunting lodges in Rajasthan--and in the nightclubs of London, Paris and New York. But as the Raj gave way to the new India, Jaipur--the most glamorous and romantic of the princely states--had to find its place. The House of Jaipur charts a dynasty's determination to remain relevant in a democracy set on crushing its privileges. Against the odds, they secured their place at the height of Indian society; but Ayesha would pay for her criticism of Indira Gandhi during the Emergency. From the polo field and politics to imprisonment and personal tragedy, the Jaipurs' extraordinary journey of transformation mirrors the story of a rapidly changing country.

Sri Sri Ramakrishna Kathamrita - Mahendra Nath Gupta 2005-07-30

This is the English translation of one of India's most famous books. It contains the dialogues of the Bengali saint Ramakrishna written in almost stenographic accuracy. This edition is different translation of the Swami Nikhilananda "Gospel of Sri Ramakrishna" which was published in the forties and showed the restraint of that era.

Being Love - Sister Shivani

We can each radiate unconditional love. We don't even need to create it - we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging - It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love - but just by being love.

Pakistan Under Siege - Madiha Afzal 2018-01-02

Over the last fifteen years, Pakistan has come to be defined exclusively in terms of its struggle with terror. But are ordinary Pakistanis extremists? And what explains how Pakistanis think? Much of the current work on extremism in Pakistan tends to study extremist trends in the country from a detached position—a top-down security perspective, that renders a one-dimensional picture of what is at its heart a complex, richly textured country of 200 million people. In this book, using rigorous analysis of survey data, in-depth interviews in schools and universities in Pakistan, historical narrative reporting, and her own intuitive understanding of the country, Madiha Afzal gives the full picture of

Pakistan's relationship with extremism. The author lays out Pakistanis' own views on terrorist groups, on jihad, on religious minorities and non-Muslims, on America, and on their place in the world. The views are not radical at first glance, but are riddled with conspiracy theories. Afzal explains how the two pillars that define the Pakistani state—Islam and a paranoia about India—have led to a regressive form of Islamization in Pakistan's narratives, laws, and curricula. These, in turn, have shaped its citizens' attitudes. Afzal traces this outlook to Pakistan's unique and tortured birth. She examines the rhetoric and the strategic actions of three actors in Pakistani politics—the military, the civilian governments, and the Islamist parties—and their relationships with militant groups. She shows how regressive Pakistani laws instituted in the 1980s worsened citizen attitudes and led to vigilante and mob violence. The author also explains that the educational regime has become a vital element in shaping citizens' thinking. How many years one attends school, whether the school is public, private, or a madrassa, and what curricula is followed all affect Pakistanis' attitudes about terrorism and the rest of the world. In the end, Afzal suggests how this beleaguered nation—one with seemingly insurmountable problems in governance and education—can change course.

Routledge Handbook of Indian Cinemas - K. Moti Gokulsing
2013-04-17

India is the largest film producing country in the world and its output has a global reach. After years of marginalisation by academics in the Western world, Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time. Bringing together contributions from leading scholars in the field, this Handbook looks at the complex reasons for this remarkable journey. Combining a historical and thematic approach, the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social, economic, cultural, political, ideological, aesthetic, technical and institutional discourses. The thematic section provides an up-to-date critical narrative on diverse topics such as audience, censorship, film distribution, film industry, diaspora, sexuality, film music and nationalism. The Handbook provides a comprehensive and cutting edge survey of Indian cinemas, discussing Popular, Parallel/New Wave and Regional cinemas as well as the spectacular rise of Bollywood. It is an invaluable resource for students and academics of South Asian Studies, Film Studies and Cultural Studies.

Asking For It - Louise O'Neill 2016-04-05

Emma O'Donovan is eighteen, beautiful, and fearless. It's the beginning of summer in a quiet Irish town and tonight she and her friends have dressed to impress. Everyone is at the party, and all eyes are on Emma. The next morning Emma's parents discover her collapsed on the doorstep of their home, unconscious. She is disheveled, bleeding, and disoriented, looking as if she had been dumped there. To her distress, Emma can't remember what happened the night before. All she knows is that none of her friends will respond to her texts. At school, people turn away from her and whisper under their breath. Her mind may be a blank

as far as the events of the previous evening, but someone has posted photos of it on Facebook under a fake account, "Easy Emma"—photos she will never be able to forget. As the photos go viral and a criminal investigation is launched, the community is thrown into tumult. The media descends, neighbors chose sides, and people from all over the world want to talk about her story. Everyone has something to say about Emma. *Asking For It* is a powerful story about the devastating effects of rape and public shaming, told through the awful experience of a young woman whose life is changed forever by an act of violence.

The Robot Will See You Now - John Wyatt 2021-07-15

The last decade has seen dramatic advances in artificial intelligence and robotics technology, raising tough questions that need to be addressed. *The Robot Will See You Now* considers how Christians can respond to these issues - and flourish - in the years ahead. Contributions from a number of international experts, including editors John Wyatt and Stephen Williams, explore a range of social and ethical issues raised by recent advances in AI and robotics. Considering the role of artificial intelligence in areas such as medicine, employment and security, the book looks at how AI is perceived as well as its actual impact on human interactions and relationships. Alongside are theological responses from an orthodox Christian perspective. Looking at how artificial intelligence and robotics may be considered in the light of Christian doctrine, *The Robot Will See You Now* offers a measured, thoughtful view on how Christians can understand and prepare for the challenges posed by the development of AI. This is a book for anyone who is interested in learning more about how AI and robots have advanced in recent years, and anyone who has wondered how Christian teaching relates to artificial intelligence. Whatever your level of technical knowledge, *The Robot Will See You Now* will give you a thorough understanding of AI and equip you to respond to the challenges it poses with confidence and faith.

Gujarat Files - Rana Ayyub 2016-05-18

Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

Only Ever Yours - Louise O'Neill 2015-05-12

Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of Only Every Yours women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride.

Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

Asha Parekh The Hit Girl - Khalid Mohamed 2017-04-10

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl.

Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

I Am Not Your Negro - James Baldwin 2017-02-07

NATIONAL BESTSELLER • In his final years, Baldwin envisioned a book about his three assassinated friends, Medgar Evers, Malcolm X, and Martin Luther King. His deeply personal notes for the project had never been published before acclaimed filmmaker Raoul Peck mined Baldwin's oeuvre to compose his stunning documentary film I Am Not Your Negro.

Peck weaves these texts together, brilliantly imagining the book that Baldwin never wrote with selected published and unpublished passages, essays, letters, notes, and interviews that are every bit as incisive and pertinent now as they have ever been. Peck's film uses them to jump through time, juxtaposing Baldwin's private words with his public statements, in a blazing examination of the tragic history of race in America. This edition contains more than 40 black-and-white images from the film, which was nominated for the Academy Award for Best Documentary.
