Godzilla: World of Monsters - John Layman
2021-09-29

The King of Monsters reigns supreme, no matter the timeline or world, in this compendium collecting three graphic novels—Gangsters & Goliaths by John Layman and Alberto Ponticelli, Cataclysm by Cullen Bunn and Dave Wachter, and Oblivion by Joshua Fialkov and Brian Churilla! First, in Gangsters & Goliaths, monster recognizes monster, which quickly becomes obvious when Godzilla collides head on with the Yakuza-dominated Tokyo underworld. In Cataclysm, does any hope remain for humanity in an apocalyptic future devastated by never-ending kaiju attacks? And, when a reckless scientist opens a portal to an alternate dimension ruled by Godzilla and his brethren, a single baby kaiju stowaway could spell disaster for our monster-free world, in Oblivion.

Mana Master - Bruce Sentar 2020-11-16

In a world where mages and monster grow from cultivating mana. Isaac joins the class of humans known as mages who absorb mana to grow more powerful. To become a mage he must bind a mana beast to himself to access and control mana. But when his mana beast is far more human than he expected; Isaac struggles with the budding relationship between the two of them as he prepares to enter his first dungeon. Unfortunately for Isaac, he doesn't have time to ponder the questions of his relationship with Aurora. Because his sleepy town of Locksprings is in for a rude awakening, and he has to decide which side of the war he is going to stand on. Disclaimer: There are adult situations and harem relationships.

Zeal of the Mind and Flesh - Marvin Whiteknight
2019-06-24

Hot elf girls, magic powers, and an inter-dimensional spaceship. What more could a nerd ask for? When Theodore visited the new animatronic strip club in town, he didn't expect the elves the facility was famous for to be actual flesh-and-blood elves. And he definitely didn't expect to find an inter-dimensional phone booth tucked away in the back room. But find them he did, and before he knew it, he'd been sent to a strange and exotic land. Among the Thousand Worlds, power is free for any with the will and talent to take it. Here, elves practice immortal cultivation, gathering power to increase their personal strength and pursue eternal life. Theo must survive and gather allies, with whom he may just be able to build the greatest clan of all time, all while growing the mysterious power of the game-like interface passed down to him by the alien wizard, and the spaceship he has inherited. Warning: Zeal of the Mind and Flesh is the first novel of a series containing graphic violence, explicit sex, and a harem of magical girls of various supernatural species. Read at your own risk. Contains Harem, Cultivation, Dungeon Core, and GameLit elements.

Dark Legends - Jamie Hawke 2018-10-31

The fairy tales have their Protector, and he has

his ladies. Morganna and Arthur have returned- and Morganna's lust for power leads my fairy tale ladies and me on a high stakes chase across the globe. Crazy escapades in the tombs of Egypt... Fights in Italy... Magic in Stonehenge... There's no telling where this fight will lead us next. Luckily, with Excalibur at my side and my team fighting with me, I might just stand a chance of saving the world.

Stone Fruit - Lee Lai 2021-05-11

Bron and Ray are a queer couple who enjoy their role as the fun weirdo aunties to Ray's niece, six-year-old Nessie. Their playdates are little oases of wildness, joy, and ease in all three of their lives, which ping-pong between familial tensions and deep-seeded personal stumbling blocks. As their emotional intimacy erodes, Ray and Bron isolate from each other and attempt to repair their broken family ties — Ray with her overworked, resentful single-mother sister and Bron with her religious teenage sister who doesn't fully grasp the complexities of gender identity. Taking a leap of faith, each opens up and learns they have more in common with their siblings than they ever knew. At turns joyful and heartbreaking, Stone Fruit reveals through intimately naturalistic dialog and blue-hued watercolor how painful it can be to truly become vulnerable to your loved ones — and how fulfilling it is to be finally understood for who you are. Lee Lai is one of the most exciting new voices to break into the comics medium and she has created one of the truly sophisticated graphic novel debuts in recent memory.

Lord of the Flies - William Golding 2012-09-20

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of

Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

The Monsters of St. Helena - Brooks Hansen
2003-12-16

In 1815 Napoleon Bonaparte is exiled to the island of St. Helena in the Atlantic, "the place on earth farthest from any other place." The island is populated by English expatriates, the descendants of Portuguese settlers, and their slaves. Bonaparte's arrival--with a retinue of fifteen hundred people--throws the island population into turmoil and particularly alarms the slaves, who believe the emperor to be a demon. After settling in a teahouse in a patch of briars and fruit trees, Napoleon is befriended by a teenage girl, Betsy Balcombe--the only person who is able to penetrate the imperial facade and understand the proud, wounded man within.

Skellig - David Almond 2001-11-13

David Almond's Printz Honor-winning novel celebrates its 10th anniversary! Ten-year-old Michael was looking forward to moving into a new house. But now his baby sister is ill, his parents are frantic, and Doctor Death has come to call. Michael feels helpless. Then he steps into the crumbling garage. . . . What is this thing beneath the spiders' webs and dead flies? A human being, or a strange kind of beast never before seen? The only person Michael can confide in is his new friend, Mina. Together, they carry the creature out into the light, and Michael's world changes forever. . . .

Island Book: The Infinite Land - Evan Dahm
2021-05-18

Set sail with *Island Book: The Infinite Land*, the second volume in an Evan Dahm's epic fantasy graphic novel trilogy rich with allegory and underlying themes. After their quest to find the Monster, Sola and her friends have gone down separate paths. Sola spends her days on the open seas while Hunder stays close to home as the chief of the unified Sun and Fortress Islands. And Wick? Well . . . it's almost as if he's become a ghost. Then their world is thrown into chaos

when Alef, the captain of one of Hunder's ships, brings news of a massive island—a continent—that he says the Sun and Fortress islanders are destined to claim for their own. Alef and Hunder launch an expedition that threatens to bring death and destruction to any who stand in their way. Sola must make a choice—step aside and allow other islanders to die, or risk her own life in order to stop her friend.

The Island of Sea Women - Lisa See 2020-03-10

THE NEW YORK TIMES BESTSELLER "A mesmerizing new historical novel" (O, The Oprah Magazine) from Lisa See, the bestselling author of *The Tea Girl of Hummingbird Lane*, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective, led by Young-sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. *The Island of Sea Women* takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother's position leading the divers in their village. Little do the two friends know that forces outside their control will push their friendship to the breaking point. "This vivid...thoughtful and empathetic" novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. "A wonderful ode to a truly singular group of women" (Publishers Weekly), *The Island of Sea Women* is a "beautiful story...about the endurance of friendship when it's pushed to its limits, and you...will love it" (Cosmopolitan).

Monster Island - David Wellington 2014-04-01

First in the cult classic trilogy: "A fantastic zombie novel . . . There are many layers to this zombie apocalypse, and this book just gets things rolling" (Booklist). Welcome to New York City, Population Zero? The power grid has collapsed. There is no running water, no light, no heat. The massive neon signs of Times Square are dark now, and the subway trains crouch silent in their tunnels, waiting for commuters who will never return. An epidemic of staggering lethality has passed over the city and left nothing living in its wake. And yet the city is not deserted. The dead have returned to life, and they're hungry. The millions of people who once worked and lived in New York have been turned into cannibalistic monsters whose only function is to consume. No living person would dare enter the city--it would be suicide. Dekalb doesn't have a choice. He must protect his daughter's future, and that means retrieving vital medical supplies from the UN building in Midtown. A cadre of teenage girl soldiers have been recruited to help him find what he needs, and get back alive. They're well armed. They're devoted to their mission and willing to sacrifice anything to pull it off. But the odds against them are staggering. Especially when it turns out that not all zombies are created equal. Deep inside the city a medical student named Gary comes back from the dead different--his mind is intact. He can still think and feel. He's hungry, just like the rest, but unlike them he can plan, plot, and scheme. He can even lead the others, bending them to his will. Soon he has a small army at his command, a growing mob of rotting corpses all devoted to

one cause: to find meat for their master. When Dekalb and Gary cross paths sparks will fly, destinies will clash--and the future of humanity will be decided, one head shot at a time.

Future Reborn - Daniel Pierce 2018-11-27

Two thousand years in the future. The world is a wasteland, but the women are still gorgeous. Jack Bowman is out of luck and out of money. That is, until he gets an offer to be a part of an experiment for a major scientific research company. All he has to do is get cryogenically frozen for a few years and he'll be rich. What could go wrong? Quite a bit, as it turns out. When Jack's pod splits open and he's met by two beautiful women, he's introduced to a very different world from the one he left behind. There are warring tribes, mutated animals, actual monsters, and even ogres. With so many threats, how can anyone hope to survive? Lucky for Jack, being frozen was only half the experience. The other part is swimming around his bloodstream, and it's turning him into something more than human. Warning: This story contains adult situations, course language, and other fun things. Read at your own risk.

Monster of Farallon Islands - Lane Walker 2020

The 25-foot shadow passed under the boat, revealing it was a giant, great white shark! Casey James, a fishing obsessed 14-year-old, loved any time he got to spend aboard the Orca II, his dad's charter fishing boat. The beautiful coastal waters just south of San Francisco provided great fishing and adventure on every trip, especially when venturing to the Farallon Islands. Each fall, the waters surrounding the Farallon Islands become populated with one of the most powerful and largest of animals, the great white shark. These sharks are extremely aggressive and hold the interest of many, especially Casey. A late October fishing trip took an unexpected turn when the Orca II received an emergency SOS from the S.S. Atlantis. They rescued the crew just before the huge freighter sank to the dark depths of the Pacific. As the ship went down, a mystery began to surface. A long-protected secret... Casey discovers that the dazzling blue waters of the Pacific Ocean hold a deep secret from the past. A 25-foot giant, great white shark and a surfing competition with a \$500,000 grand prize just add to the chaos and mystery of the Monster of Farallon Island! A

shipwreck, a greedy billionaire, and a record-sized great white shark are about to invade Casey's life. Who or what will survive? Can man and beast coexist in the Pacific Ocean?

"An eerie, atmospheric assertion of female strength." —Mindy McGinnis, author of *The Female of the Species*
FIVE STARRED REVIEWS
NAMED ONE OF YALSA'S 2019 BEST FICTION FOR YOUNG ADULTS
A BRAM STOKER AWARD NOMINEE
A LAMBDA LITERARY AWARD NOMINEE
From the New York Times bestselling author of *Furyborn* comes a breathtaking and spine-tingling novel about three teenage girls who face off against an insidious monster that preys upon young women. Perfect for fans of Victoria Schwab and *Stranger Things*. Who are the Sawkill Girls? Marion: The newbie. Awkward and plain, steady and dependable. Weighed down by tragedy and hungry for love she's sure she'll never find. Zoey: The pariah. Luckless and lonely, hurting but hiding it. Aching with grief

and dreaming of vanished girls. Maybe she's broken—or maybe everyone else is. Val: The queen bee. Gorgeous and privileged, ruthless and regal. Words like silk and eyes like knives; a heart made of secrets and a mouth full of lies. Their stories come together on the island of Sawkill Rock, where gleaming horses graze in rolling pastures and cold waves crash against black cliffs. Where kids whisper the legend of an insidious monster at parties and around campfires. Where girls have been disappearing for decades, stolen away by a ravenous evil no one has dared to fight...until now.

Gentleman Nine - Penelope Ward 2018

From New York Times bestselling author Penelope Ward, comes a new, sexy standalone novel. Growing up, the three of us were friends. He was the nerd. I was the playboy. She was the beauty. Deep down, I only ever wanted her. I kept it inside because Rory and I made a pact that our friend, Amber, was off-limits. He lied. I went off to college, and he got the girl. Amber never knew how I felt. They were together for years?before he broke her heart. Through it all and across the miles, she and I casually stayed in touch. When my job sent me to Boston for a three-month contract position, Amber let me stay in her spare room. Still reeling from her breakup, she'd sworn off men. One night, I opened her computer to find the shock of my life. She'd hesitantly contacted a male escort company. Afraid to date and get her heart broken again, she was looking for sex with no strings. Every emotion imaginable ran through me: protectiveness, jealousy?curiosity. Amber had chosen Gentleman Number Nine and sent him a message. She opened up to him, confessing, among other things, her physical attraction to her friend?me. But she considered me off-limits?and she thought I was a manwhore. (Ironic, considering the circumstances.) Eventually, she set up a date to meet Gentleman Nine at a hotel. When she showed up several nights later to meet him, she was stunned to see me standing there?with an offer I hoped she wouldn't refuse.

Lalani of the Distant Sea - Erin Entrada Kelly 2019-09-03

"Fast-paced and full of wonder, this is a powerful, gripping must-read."—Kirkus (starred review) "A lush and mysterious fable, full of beauty, full of wonder."—Rebecca Stead, Newbery Medal-winning author of *When You Reach Me* Newbery Medalist Erin Entrada Kelly's debut fantasy novel is a gorgeous, literary adventure about bravery, friendship, self-reliance, and the choice between accepting fate or forging your own path. When Lalani Sarita's mother falls ill with an incurable disease, Lalani embarks on a dangerous journey across the sea in the hope of safeguarding her own future. Inspired by Filipino folklore, this engrossing fantasy is for readers who loved Grace Lin's *Where the Mountain Meets the Moon* and Disney's *Moana*. Life is difficult on the island of Sanlagita. To the west looms a vengeful mountain, one that threatens to collapse and bury the village at any moment. To the north, a dangerous fog swallows sailors who dare to

venture out, looking for a more hospitable land. And what does the future hold for young girls? Chores and more chores. When Lalani Sarita's mother falls gravely ill, twelve-year-old Lalani faces an impossible task—she must leave Sanlagita and find the riches of the legendary Mount Isa, which towers on an island to the north. But generations of men and boys have died on the same quest—how can an ordinary girl survive the epic tests of the archipelago? And how will she manage without Veyda, her best friend? Newbery Medalist and New York Times–bestselling author Erin Entrada Kelly's debut fantasy novel is inspired by Filipino folklore and is an unforgettable coming-of-age story about friendship, courage, and identity. Perfect for fans of Lauren Wolk's *Beyond the Bright Sea* and Kelly Barnhill's *The Girl Who Drank the Moon*.

Creation Mage - Dante King 2020-08-09

Boss Build - Aaron Crash 2020-10-18

Roy Boss, the CEO of VentureForge Industries, just woke up in a different galaxy. He's lost his company and his body, and the man who murdered him might still be alive. The good news is he's on Plymouth, an almost mythical world where monsters are designed and printed for Roy's game worlds. First order of the day: print himself a superpowered body and get back what's his. But everything isn't as it seems. The research lab he arrived in is deserted except for a few dead security guards, and the streets outside are filled with thousands of robot dogs programmed for one single purpose: kill Roy Boss. But Roy has an entire catalog of savior-class monster girls he can print up to help him clean house, each with their own powers, transformations, and fetishes. Hit Print for justice, for satisfaction, and for the love of the game. From Aaron Crash, bestselling author of

Barbarian Outcast and the American Dragon series, comes a brand-new world that will leave you turning pages late into the night. Disclaimer: Boss Build is an explicit sci-if harem adventure. There are girls, guns, and sex on the page. Each of Roy's monster girls is fully configurable when it comes to bedroom activities. It's like a smutty I Am Legend meets Westworld. You have been warned.

Sean has his work cut out for finding his place in this new world. (This work contains adult situations, that some might find offensive, not least of which is graphic sex.)

Dinosaur Warlord - Marcus Sloss 2020-10-10
Epic adventures, sexy ladies, and awesome Dinosaurs! Nate is the hardworking CEO of SouthernCool, an AC company in Florida. After years of toiling to get rich, he finally takes a

well-deserved vacation to Australia. A chance encounter ties him to a gorgeous gal named Senna. Right as things between the two are heating up on the Great Barrier Reef, pesky aliens intervene. Humanity is doomed, they tell him, destined to become extinct in the not-too-distant future. Nate and Senna are forced to compete for a spot on a human preserve. The competition turns out to be similar to a Real Time Strategy (RTS) 4x game. That means, in order to score points, you have to eXpand your empire, eXterminate your foes, and eXplore & eXploit your environment. Warning: contains nontraditional relationships, adult interactions that would steam up the windows of an old pickup truck, and violent action. 18+ recommended. Note: This book includes interior art by FIFTEAN - images are SFW and PG13.

Islandborn - Junot Díaz 2018-03-13

From New York Times bestseller and Pulitzer Prize winner Junot Díaz comes a debut picture book about the magic of memory and the infinite power of the imagination. A 2019 Pura Belpré Honor Book for Illustration Every kid in Lola's school was from somewhere else. Hers was a school of faraway places. So when Lola's teacher asks the students to draw a picture of where their families immigrated from, all the kids are excited. Except Lola. She can't remember The Island—she left when she was just a baby. But with the help of her family and friends, and their memories—joyous, fantastical, heartbreaking, and frightening—Lola's imagination takes her on an extraordinary journey back to The Island. As she draws closer to the heart of her family's story, Lola comes to understand the truth of her abuela's words: "Just because you don't remember a place doesn't mean it's not in you." Gloriously illustrated and lyrically written, *Islandborn* is a celebration of creativity, diversity, and our imagination's boundless ability to connect us—to our families, to our past and to ourselves.

How to Date Your Dragon - Molly Harper 2018-07-24

The first book in Molly Harper's uproariously funny, sinfully sexy new Mystic Bayou series! Anthropologist Jillian Ramsay's career has taken a turn south. Concerned that technology is about to chase mythological creatures out into the open (how long can Sasquatch stay hidden from

Google maps?), the League for Interspecies Cooperation is sending Jillian to Louisiana on a fact-finding mission. While the League hopes to hold on to secrecy for a little bit longer, they're preparing for the worst in terms of human reactions. They need a plan, so they look to Mystic Bayou, a tiny town hidden in the swamp where humans and supernatural residents have been living in harmony for generations. Mermaids and gator shifters swim in the bayou. Spirit bottles light the front porches after twilight. Dragons light the fires under crayfish pots. Jillian's first assignment for the League could be her last. Mystic Bayou is wary of outsiders, and she has difficulty getting locals to talk to her. And she can't get the gruff town sheriff, Bael Boone, off of her back or out of her mind. Bael is the finest male specimen she's seen in a long time, even though he might not be human. Soon their flirtation is hotter than a dragon's breath, which Bael just might turn out to be... This book is based on the Audible Original audiobook.

A Wizard of Earthsea - Ursula K. Le Guin 2012

A boy grows to manhood while attempting to subdue the evil he unleashed on the world as an apprentice to the Master Wizard.

Pig Island - Mo Hayder 2007-12-01

A "profoundly creepy and creepily convincing thriller" of religious fanatics and hoax debunkers from the Edgar Award-winning author of

Hanging Hill (Publishers Weekly, starred review) Journalist Joe Oakes makes a living exposing supernatural hoaxes, but when he visits a secretive religious community on a remote Scottish island, everything he thought he knew is overturned. Following the trail of a strange creature caught briefly on film, so deformed it can hardly be human, Oakes crosses a border of electrical fencing, toxin-filled oil drums, and pig skulls to infiltrate the territory of the groups' isolated founder, Malachi Dove. Their confrontation, and its violent aftermath, is so catastrophic that it forces Oakes to question the nature of evil—and whether he might be responsible for the heinous crime about to unfold . . . This latest entry from the acclaimed British author of the Jack Caffery novels "taps into the current fascination with all things supernatural and questions our assumptions about a number of subjects, from faith healing to cultish religious groups and society's definition of evil" (Marilyn Stasio, *The New York Times Book Review*). "[Hayder] remains one of our most adventurous, unpredictable and ambitious writers." —*The Guardian* "Hayder offers both a riveting story and a nuanced, distinctly modern look at secrecy and publicity, belief and skepticism, normal and taboo, (in)sight and blindness." —*Publishers Weekly*, starred review "An adventurous, edgy, literate writer." —*Kirkus Reviews*
