**A Surprising Return!** - Cupido 2020-10-28  
Woman-woman. Man-man. Bisexuality. Flexible. Queer. Some people have never questioned whether or not they're gay. Others are in a straight marriage with kids when suddenly their best friend makes their nipples erect, or a touch from their best mate makes their cock hard. This is an erotic short story collection from Cupido. The collection includes the following short stories: "He'd just moved into a flat share, in 3 A. It was a new life in many ways." The Metaphor by Metafore "A young man visits a buddy in Lisbon and meets liberated, young sexuality." - Unbelievable, but true by RO "She came home sooner than expected and jumped as she heard whispering voices in the bedroom. Was there another woman in his bed? She cracked the door and was surprised even more." - A Surprising Return" by Katrine, Bergen "The two boys became sauna regulars. The others were The others were too busy finishing quickly and getting away from school." - Bjørn by Roy, Oppland CUPIDO - the magazine for intimate, horny pleasure - has been publishing erotic fiction based on readers' everyday fantasies and sexual experiences since 1984.

**The Adventures of Jimmy Brown** - William Livingston Alden 1885

*Wholesale Husband* - Lilly Gayle 2011-09-28  
She needs his name. He needs her money. But

can a rich New York socialite and a poor Irish immigrant find true love in the gilded age' Betrayed by her fianc? and heart sick over her father's death, Clarissa Burdick is further devastated when she learns she can't inherit her father's company'the company she loves'until she's twenty-five or married. And Clarissa is neither. So she sets out to find a husband strong enough to protect her from her uncle's thugs, too uneducated to run the company himself, and poor enough to marry a woman in name only. But Irish immigrant Devin Flannery is smarter than he seems and more educated than Clarissa expects. Her Wholesale Husband soon proves a greater risk to her heart than her company.

Forever Open, Clear, and Free - Lois Wille 1991-06-11

Surveys the history of Chicago's lakefront to reveal the challenges which the citizens have encountered in their fight to prevent its urbanization

Sowing the American Dream - David Blanke 2000

From 1840 to 1900, midwestern Americans experienced firsthand the profound economic, cultural, and structural changes that transformed the nation from a premodern, agrarian state to one that was urban, industrial, and economically interdependent. Midwestern commercial farmers found themselves at the heart of these changes. Their actions and

reactions led to the formation of a distinctive and particularly democratic consumer ethos, which is still being played out today. By focusing on the consumer behavior of midwestern farmers, *Sowing the American Dream* provides illustrative examples of how Americans came to terms with the economic and ideological changes that swirled around them. From the formation of the Grange to the advent of mail-order catalogs, the buying patterns of rural midwesterners set the stage for the coming century. Carefully documenting the rise and fall of the powerful purchasing cooperatives, David Blanke explains the shifting trends in collective consumerism, which ultimately resulted in a significant change in the way that midwestern consumers pursued their own regional identity, community, and independence.

1908 Sears, Roebuck & Co. Catalogue - Sears, Roebuck & Co. 2015-08-04

A fascinating piece of history and a window to turn-of-the-century America. The Sears, Roebuck & Co. catalog was the Amazon.com of its day, giving American families across the country access to thousands of items from clothing and furniture to buggies and hair tonic. Whether they could buy it or not, people would pour over the massive volume that represented an icon in American retail. The 1908 Sears, Roebuck & Co. Catalogue offers an amazing look at life in early twentieth-century America. Sears, Roebuck & Co. have defined and innovated American retail for years, As the company grew from humble beginnings, it's catalog selection exploded to include all sorts of categories and encompassed almost everything imaginable. With merchandise ranging from ordinary to fantastical (and almost all of it priced at the pennies-on-the-dollar rate of the time), browsing through this vintage collection is sure to be an enjoyable experience.

**Everyday Fashions of the Thirties As Pictured in Sears Catalogs** - Stella Blum 2012-07-12

Hundreds of authentic images reflect a mood of economic austerity. Over 130 fully illustrated pages from Sears catalogs offer historically accurate pictures of what men, women, and children wore throughout the decade.

**Catalogue & Buyers Guide, No. 56 [fall & Winter] 1894-95** - Montgomery Ward 1970

**Cat and Mouse** - Tomek Bogacki 1996

An unusual friendship results when one little cat and one little mouse fail to pay attention while their mothers teach their children about the world.

**Montgomery Ward's Mail-order Homes** - Dale Patrick Wolicki 2010

**Billtry** - Mary Kyle Dallas 1895

Founders of American Industrial Design - Carroll Gantz 2014-07-03

As the Great Depression started in 1929, several dozen creative individuals from a variety of artistic fields, including theatre, advertising, graphics, fashion and furniture design, pioneered a new profession. Responding to unprecedented public and industry demand for new styles, these artists entered the industrial world during what was called the "Machine Age," to introduce "modern design" to the external appearance and form of mass-produced, functional, mechanical consumer products formerly not considered art. The popular designs by these "machine designers" increased sales and profits dramatically for manufacturers, which helped the economy to recover; established a new profession, industrial design; and within a decade, changed American products from mechanical monstrosities into

sleek, modern forms expressive of the future. This book is about those industrial designers and how they founded, developed, educated and organized today's profession of more than 50,000 practitioners.

**Catalogue ... 1895** - Levi Heywood Memorial Library, Gardner, Mass 1895

**The Cades Cove Story** - Arthur Randolph Shields 1977

**The Hammered Dulcimer** - Paul M. Gifford 2001-06-13

The last quarter of the twentieth-century saw a renewed interest in the hammered dulcimer in the United States at the grassroots level as well as from elements of the Folk Revival. This book offers the reader a discussion of the medieval origins of the dulcimer and its subsequent spread under many different names to other parts of the world. Drawing on articles the author has written in English as well as articles by specialists in their own languages, Gifford explains the history and evolution of the instrument. Special attention is paid to the North American tradition from the early 18th-century to the 1970s revival. Drawing from local histories, news clippings, photographs, and interviews, the book examines the playing of the dulcimer and its associated social meanings.

The 1942 Sears Christmas Book - Sears, Roebuck and Co. 2019-09-18

For generations, the much-anticipated arrival of the Sears gift catalog signaled the start of the holiday season. This faithful facsimile of the retailer's 1942 Christmas edition offers a nostalgia-inducing chance to relive those bygone years, when turning the pages of a catalog could excite young minds with dreams of a shiny toy truck or a new doll under the tree. A unique collectible, The 1942 Sears Christmas Book also provides an interesting look at how merchandise has evolved over the years. In 1942, Sears shoppers could purchase toys as well as housewares, clothes, furniture, candy, and gifts to send to servicemen (all at prices that now seem astonishingly low). The wartime catalog even includes information about the importance of saving scrap metal for munitions and encourages readers to buy war bonds. A new Introduction by Ben B. Judd, Jr., PhD, the former

chair of the University of New Haven Department of Marketing and International Business, provides thought-provoking insights into the catalog's importance to rural America and the recent downfall of the retail giant.

**Sears Roebuck & Co. Consumer's Guide for 1894** - Sears, Roebuck & Co. 2013-02-01

Proudly advertising its enormous inventory shipped from "Cheapest Supply House on Earth," in 1894, the Sears, Roebuck and Co. catalog offered substantial savings for rural dwellers on almost everything. And everything means everything. From pianos and firearms to clothing, watches, and jewelry, this well-known American superstore had it all. Need a sewing machine guaranteed to last ten years? Just \$17.55 from Sears, Roebuck and Co. And why not buy solid gold? Solid gold watches, that is, for just thirty to fifty dollars. In the musical goods department, guitars came with free instruction books, mandolins were becoming so popular that sales had more than doubled in a year, and violins were imported and plentiful. The guns and sporting goods department boasted a wide range of weaponry, including the Colt's Army Double Action Revolver (which, if ordered with an accompaniment of cash payment in full, came with a "FREE nice present" . . . the likes of which are left to the gun enthusiast's imagination). Hundreds of illustrations accompany the fascinating product descriptions and hard-to-fathom prices of over a century ago in this rerelease of the Sears, Roebuck and Co. Consumer's Guide for 1894. Nostalgic for some, fun for all--this book is perfect for anyone interested in collectibles.

Legal Bases - Roger I. Abrams 1998

Abrams examines such issues as drug use and gambling, enforcement of contracts, and the rights of owners and managers. The stories he tells are not limited to his official lineup, but include appearances by a host of other characters - from baseball magnate Albert Spaulding and New York Knickerbocker Alexander Joy Cartwright to "Acting Commissioner" Bud Selig and Jackie Robinson. And Abrams does not limit himself to the history of baseball and the legal process but also speculates on the implications of the 1996 collective bargaining agreement and those other issues - like intellectual property, eminent

domain, and gender equity - that may provide the all-star baseball law stories of the future.

**American Bicyclist and Motorcyclist** - 1911

**1897 Sears, Roebuck & Co. Catalogue** - Nick Lyons 2007-09-17

"A dazzling trove for students of Americana." Time...

**The 1902 Edition of the Sears, Roebuck Catalogue** - Sears, Roebuck and Company 2000-10-01

Everyday life at the turn of the century is mirrored in a facsimile of a 1902 mail-order catalogue.

**Montgomery Ward & Co. Catalogue and Buyers' Guide 1895** - Montgomery Ward 2008-04-17

Before the Internet, Wal-Mart, and the shopping mall, there was Montgomery Ward.

*Ship Handling in Narrow Channels* - Carlyle J. Plummer 1978

*Rudolph the Red-Nosed Reindeer* - Robert L. May 2011-11-01

Fans of the greatest reindeer of all will have a double helping of Christmas fun with this

collection, which includes the title story plus "Rudolph Shines Again." Near and dear to so many hearts, this is the story, the original story, of Rudolph the Red-Nosed Reindeer, written by Robert L. May in 1939. Rudolph, loveable and generous, humble and good, embodies the spirit of Christmas, and reminds us of the magical possibilities that exist within us all. In the companion story, "Rudolph Shines Again," Rudolph loses his light and is certain he is of no use to Santa now; he decides to go far away, where no one knows how bright his nose used to be. But on his journey, something magical happens. As enchanting as the original story, Robert L. May's uplifting sequel to his classic tale Rudolph the Red-Nosed Reindeer is a joyous celebration of the spirit of Christmas. Also included in the audio is a selection of holiday songs for kids to help you ring in the season: "Jingle Bells," "Up on the Housetop," "Deck the Halls," "Over the River and through the Woods," "We Wish You a Merry Christmas," and "O, Christmas Tree."

*Fishing Stories* - Nick Lyons 2014-11-18

All fishermen who have fished for a lifetime have baskets of great stories and reminiscences about the sport they love. Nick Lyons's new collection is chock-full of them. From fishing a small Catskill creek and catching a huge brook trout when he was barely out of infancy to long opening day treks during his teens, and then on to fishing in France, Iceland, Key West, Montana, and widely elsewhere, Nick has spent a lifetime on the water. *Fishing Stories* features tales about bass, bluefish, tarpon, stripers, bluegill, and many other species as well as portraits of many of the unusual people with whom he has fished. Lyons describes a long, hilarious day with a character named Hawkes in one story, and then the next features a father and son on a Western lake. Through these memories, Lyons shows the comfortable pleasure of fishing waters close to home that one knows just about as well as his or her closest friends. Stories describe days of discovery and adventure on new waters; fishing with famous fishing writers, and new friends, and a granddaughter; and fishing in a little pond he built during the years he refers to as his Indian summer. An unforgettable fight with a gigantic fish in a Western river and simpler days fishing

for bluegill and pickerel are also documented. No fisherman of any stripe will fail to find stories that echo his or her own experiences, and all will come closer to understanding the passion that drives all serious fishermen. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Montgomery Ward Catalogue of 1895 -  
Montgomery Ward & Co. 1969-08-01

Tea gowns, bleached damask, and yards of flannel and pillow-case lace, stereoscopes, books of gospel hymns and ballroom gems, the New Improved Singer Sewing Machine, side saddles, anti-freezing well pumps, Windsor Stoves, milk skimmers, straight-edged razors, high-button shoes, woven cane carpet beaters, spittoons, the Studebaker Road Cart, commodes and washstands, the "Fire Fly" single wheel hoe, cultivator, and plow combined, flat irons, and ice cream freezers. What man, woman, or child of the 1890s could resist these offerings of the Montgomery Ward catalogue, the one book that was read avidly, year after year, by millions of Americans on farms and in small towns across the nation? The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was "really like" in the gay nineties, for it described and illustrated almost anything that anybody could possibly need or want in the way of "store-bought" goods. In fact, in that pre-department store era, it was usually the only source for such goods. Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV, or Elizabeth I, or Charlemagne: what insights would we have into the daily life of the "common folk," the farmers and shopkeeper, housewives and schoolchildren . . . what sources of information for historians and scholars, collectors and

dealers, what models for artists and designers. In 1895, Montgomery Ward was the oldest, largest, and most representative mail-order house in the country. The brainchild of a former traveling salesman, it issued its first catalogue in 1872, a one-page listing of items. By 1895, the catalogue, reprinted here, had grown to 624 pages and listed some 25,000 items, almost all of them illustrated with live drawings. Montgomery Ward was by then a multi-million dollar business that profoundly affected the American economy; and since it reached the most isolated farms and backwoods cabins, its effect on American culture was almost as great. Now once again available, it is our truest, most unbiased record of the spirit of the 1890s. An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet, Ph.D. (Johns Hopkins), a foremost expert on retail merchandising. His monumental work *Catalogues and Counters* has long been recognized as a landmark in the study of American economic history.

**Reconstructing Womanhood** - Hazel V. Carby 1987

"Reconstructing Womanhood: The Emergence of the Afro-American Woman Novelist, published in 1987, is a book by Hazel Carby which centers on slave narratives by women. Carby received her Ph.D. in 1984 from Birmingham University. Her doctoral dissertation later became the foundation for the book."--Wikipedia viewed Jan. 7, 2022.

**Bloomingtondale's Illustrated 1886 Catalog** -  
Bloomingtondale Brothers 1988-01-01

Famed merchants' extremely rare catalog depicting about 1,700 products: clothing, housewares, firearms, dry goods, jewelry, and more. Invaluable for dating and identifying vintage items. Also, royalty-free graphics for artists and designers. Co-published with Henry Ford Museum & Greenfield Village.

**Mail-Order Homes** - Rebecca L. Hunter 2012-07-20

The rapid westward expansion of the United States in the early twentieth century set the stage for a new industry: mail-order homes. Sold by such companies as Sears, Roebuck & Co., Aladdin, and Montgomery Ward, these kit homes were shipped by train to their purchasers in

boxcars containing everything required for their construction, whether a vacation cottage, modest bungalow, or two-and-a-half story home. Rebecca Hunter brings to life the history of these charming homes, tens of thousands of which were sold throughout the United States in the early 1900s, and many of which still exist. Fully illustrated and including numerous images from period catalogs, this book describes the customers who bought and built mail-order houses, the various styles and designs, and the boom and bust of the industry.

**Lionel Trains 1945-1969** - Alan Stewart  
2001-10-01

This book covers toy train accessories manufactured during the post-World War II era, the most popular era for collectors.

Painstakingly researched, this book is essential for collectors.

Collectible Dietz Lanterns - Neil S. Wood  
2011-06-01

Lanterns burning oil and kerosene lit the world before electricity and well into the 20th century beyond the electrical grid. The R. E. Dietz Company was a leader in lantern development and manufacturer in 1917 when this sales catalog was new. Each lantern.

*Montgomery Ward & Co. 1894-95 Catalogue & Buyers Guide* - Joseph J. Schroeder (Jr.) 1977

**The Sears Silvertone Catalogs 1930-1942** - Mark V. Stein 2001-04-01

*Montgomery Ward Catalogue of 1895* -

Houses by Mail - Katherine Cole Stevenson  
1995-07-19

It was the American Dream by Mail Order -- Smithsonian Americans have ordered from Sears, Roebuck just about everything they have needed for their homes for 100 years--but from 1908 to 1940, some 100,000 people also purchased their houses from this mail-order wizard. Sears ready-to-assemble houses were ordered by mail and shipped by rail wherever a boxcar or two could pull in to unload the meticulously pre-cut lumber and all the materials needed to build an exceptionally sturdy and well-designed house. From Philadelphia, Pa., to Coldwater, Kans., and Cowley, Wyo., Sears put its guarantee on quality bungalows, colonials and Cape Cods, all with the latest modern conveniences--such as indoor plumbing. Houses by Mail tells the story of these pre-cut houses and provides for the first time an incomparable guide to identifying Sears houses across the country. Arranged for easy identification in 15 sections by roof type, the book features nearly 450 house models with more than 800 illustrations, including drawings of the houses and floor plans. Because the Sears houses were built to last, thousands remain today to be discovered and restored. Houses by Mail shows how to return them to their original charm while it documents a highly successful business enterprise that embodied the spirit and domestic design of its time. "After decades of obscurity, Sears houses have become chic." --Wall Street Journal "These were . spacious, solidly built homes." --Parade "Don't be surprised if your own cozy bungalow turns up [in the book]."--Philadelphia Inquirer "A nostalgic and informative look at the tastes of Americans in the years before World War II."--Publishers Weekly "The bible to researchers of Sears' ready-cut homes."--Saturday Evening Post  
**Louis Comfort Tiffany** - Jacob Baal-Teshuva  
2008  
Nach einer Einführung in Leben und Werk des Glaskünstlers zeigt der Band Lampen, Vasen und Fenster.
